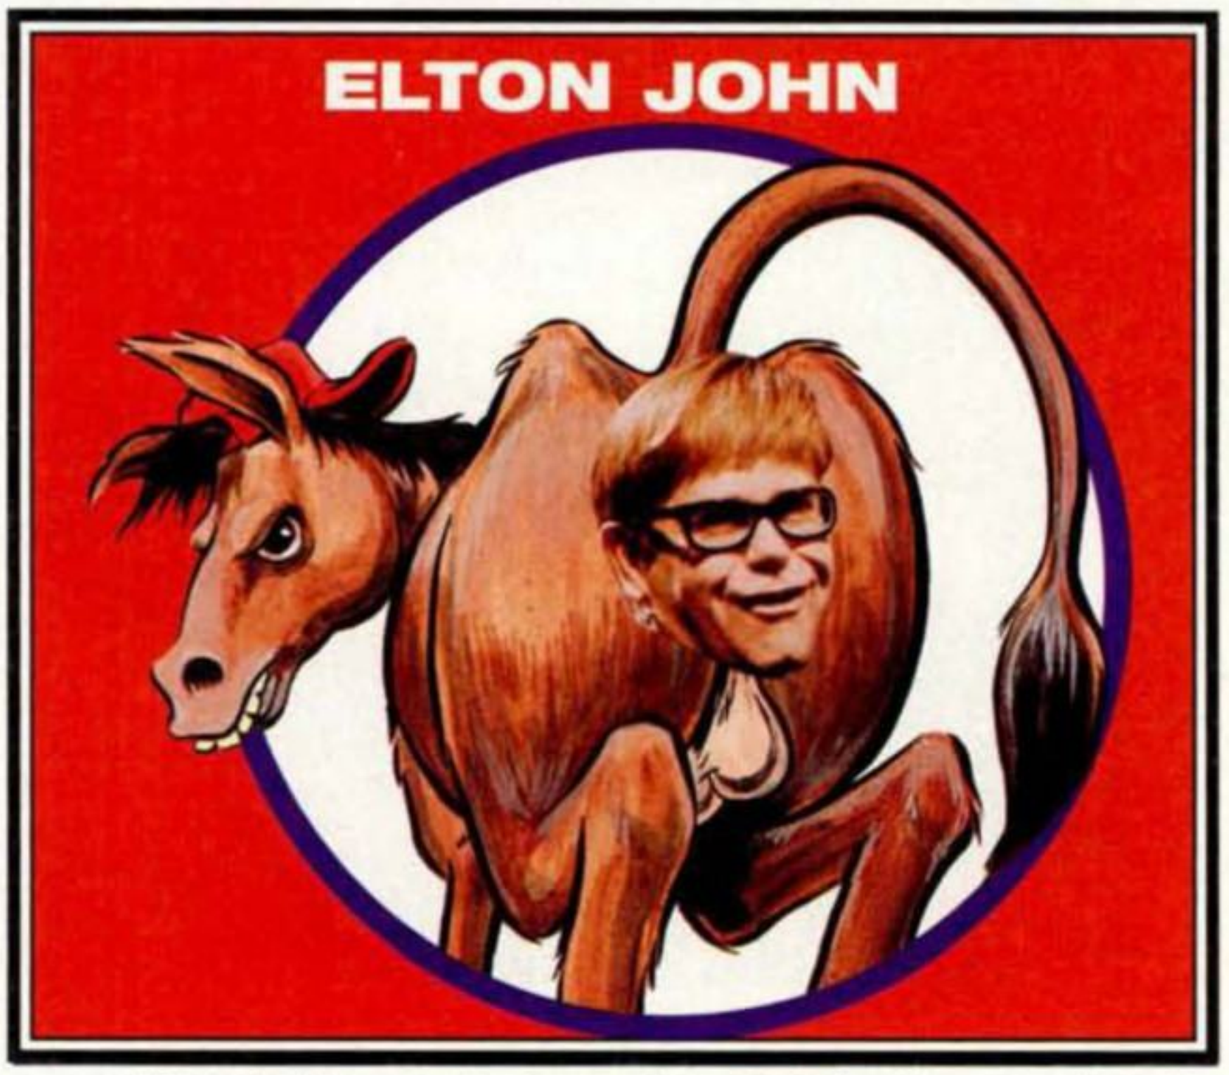
# BITS and PIECES

## ASSHOLE OF THE MONTH



Time and wear can wreak havoc on sphincters. Bereft of elasticity, dried-up shit rings will, with increasing frequency, quiver in spasmodic fits, issuing steaming fecal lumps with utter disregard for propriety. One such worn-out, perpetually dribbling crap hatch is Reginald Kenneth Dwight, a/k/a Elton John, a/k/a HUSTLER's April 2000 Asshole of the Month.

The famously flamboyant John, 52, has donned many costumes during his career. For the past two decades or so, that of a vital musical artist hasn't been one of them; Sir Elton's chief musical stock-in-trade of late is overly mawkish dreck.

John and inspiration parted ways during the Ford administration. Since then, the toadlike warbler has played two primary roles: pathetic debauchee and repentant, self-styled saint. John spent most of the '70s and '80s as an alcoholic cocaine addict and the least successful bulimic ever.

Having wiped the coke-flecked snot and vomit from his face at the turn of the decade, John's main occupation has been to tout his philanthropic efforts, most notably his Elton John AIDS Foundation, at every opportune moment.

"When I got sober and clean, I wanted to do something positive with my life," John self-righteously wheezed.

The brunt of Elton's charity falls on his audience's wallets. Obscenely selfish piles of John's own money go to his extravagant spending habits, which include a reported monthly $12,000 flower budget for his home.

To support John's causes, his devotees are asked to buy all manner of Eltonalia; his crappy singles, $54 "Elton" candles and a Visa card bearing the singer's likeness—which entails taking financial advice from a man who, despite an estimated annual income of $23 million, had to apply for a $40 million loan this past summer to buy more stuff.

Above all, Elton John is a ghoulish opportunist. During the '80s, the singer floated to the top of the charts aboard the corpses of John Lennon and Marilyn Monroe by issuing treacly tribute songs to the deceased icons.

Not even a veteran hearse chaser could've predicted the bonanza that August 31, 1997, would bring. The blood draining from Princess Diana's mangled body in France that day might as well have flowed directly into John's flagging career. Invited to perform at her funeral, Elton quickly knocked off a new set of lyrics to a song he'd already twice released. Wringing the moment for all its dramatic worth, John vowed to keep his composure during the performance. "What's the toughest...I'm a sentimentalist," John choked. "I cry very easily."

Was it sentimentality or vampirism that rushed John to the studio directly from the service to record the retooled song? "Candle in the Wind '97," the resultant single, made Elton John the second most successful solo recording artist ever.

Conveniently, the single was released on the same day as John's *The Big Picture* LP, thereby ensuring bucketloads of publicity for an otherwise unremarkable album.

In August 1998, John carped that the admission fee to Diana's burial site, which went to charity, was distasteful. "I don't think [Diana] as commercial enterprise is the right way to go about it," Sir Elton proclaimed, raising the exploitation issue millions of record sales too late for credibility.

The Sultan of Schmaltz is equally adept at desecrating the living. Performing at the tenth-anniversary fete for gay-rights group Stonewall in London last November, John pranced onstage with six male strippers in Boy Scout uniforms. An outraged spokesman for Britain's Scout Association lamented, "We are disappointed a star of Elton John's caliber participated in something that was so lacking in taste."

Just months earlier, the ever-maudlin John, commenting on the "gay panic" beating death of Matthew Shepard, bleated that "we are still living in a world of hate." The next time a fag-basher strikes, possibly inspired by John's pedophiliac antics, will the AIDS activist's pleas carry as much weight as the rest of him does?

John remained uncharacteristically silent about his boy-lust theatrics, but his spokesman called the performance "a bit of high camp in the great British tradition of comedy like Benny Hill."

Benny Hill liked women, and liked them of age. Reginald's Chickenhawk Revue does, however, fall into Elton John's traditional role as a grade-A Asshole.

### FARTS IN THE WIND

**Reggie White:** The former Minister of Defense for the Green Bay Packers urged the governor of Iowa to rescind that state's gay-rights protections. "Every black person in America should be offended that a group of people should want the same civil rights because of their sexual orientation," White opined, mixing apples and oranges into a putrid salad. White may have hung up his football jersey, but he's still a race-baiting Asshole of championship proportions.

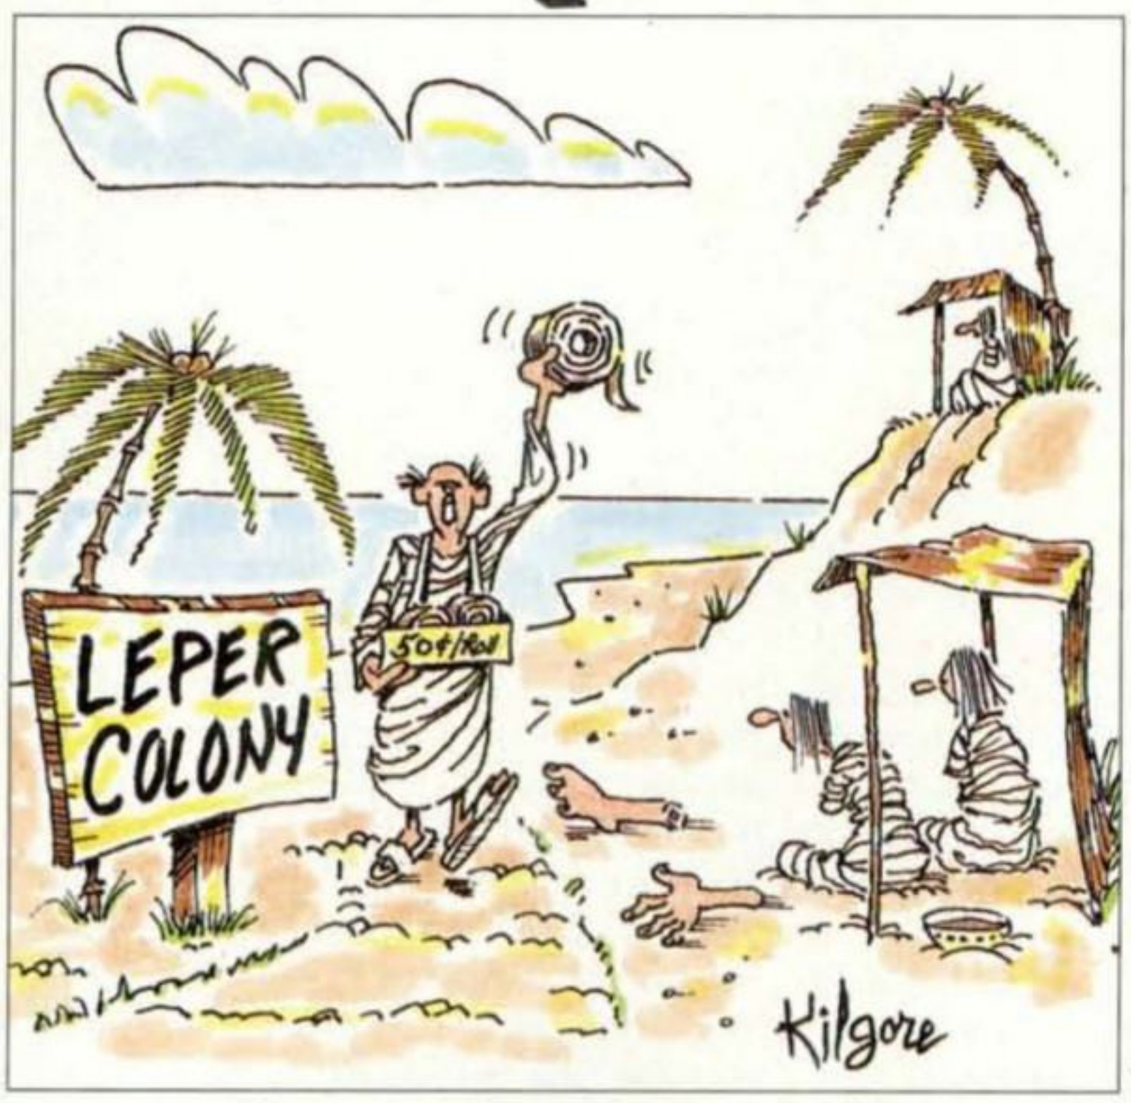
**Milo John Reese:** The leader of Nevada Against Prostitution, Reese turned himself in to authorities ten days after faking his own death to draw attention to his cause. Reese left his car, stained with his own blood, near a legal Nevada brothel, the Mustang Ranch, to create the illusion that he had been murdered. "I thought it was the only way to do it," Reese said. Here's an idea: Next time, go the distance, Asshole.

# As Extreme as It Gets

## Will Cannibalism Cause Porn's Next Radical Movement?

As smut becomes more mainstream every day, porn videos compete to depict ever-stranger, more-forbidden sex acts. HUSTLER worries that the noble quest for the perfect perversion may become perverted itself one day, resulting in stroke fodder that only Hannibal Lecter could enjoy. We hope that the worst-case eating-off scenario shown here stirs fleshpots to resist the coming cannibal wave. Remember, girls: If a video producer wants to pay you a million bucks to be killed and eaten, the deal is probably too good to be true.

# "MOST TASTELESS CARTOON"



*"Duct tape! Git yer duct tape here!"*

# PORN FROM THE PAST

The bushy ladies of previous generations used their morning calisthenics routines as an opportunity to air out the previous night's wet spot. As the drip-dry, shaved snatch became commonplace, the wet spot moved onto the bedsheet, and fewer girls resorted to this form of air-conditioning.

HUSTLER kicks $150 back to John D., of Costa Mesa, California, for this hirsute birthday suit. Send your antique pelt to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

# The Gay Panic Emergency Kit

## Set Yourself Straight in Seconds

Many healthy, hetero males steer clear of nellies—an unfriendly but forgivable act. But if you're the type of murderous hayseed who doesn't see the blindingly obvious middle ground between dating a fag and bashing one, the Gay Panic emergency kit will keep you fit for human society.

Made from incredibly lifelike, guaranteed-female polymers, the kit inflates in seconds and sucks the psychosis right out of you with any of three velvety holes. If there had been a Gay Panic emergency kit in Laramie's Fireside Lounge, Matthew Shepard would be alive today and two cracker assholes wouldn't be getting punked nightly for life.

Rosie O'Donnell surprised the flap-happy couple with cigars. Rumors regarding the size of Rosie's closet have set tongues wagging further about her gargantuan humidor.

### Tara: High Sleaze

I've been a HUSTLER subscriber for years and have seen stacks of beautiful pussy of every size, shape and color. Tara (*Tara on the High Seas*, February 2000) is different. Your February covergirl and centerfold is the most incredible Amerasian goddess ever forged between man and woman. If she is a war baby, as I believe she must be, then she alone is a good reason to start wars. Her voluptuous curves and golden-brown skin caused my heat-seeking missile to launch straight out of my trousers. Tara's eager pussy play and wicked smile left me gasping for breath. Do you have any plans to feature Tara again? —J. G.

Burbank, California

*Tara believes in making love, not war. The island beauty is slated to appear in a boy/girl pictorial in the June 2000 HUSTLER, although she has yet to make it official as of press time.*

### Toilet Tyson

The dominant lesbian Tyson (*Tess and Tyson: Dine and Gash*, December 1999) is gorgeous enough to warrant her own solo layout and centerfold. Do it. Tyson wears a corset and stockings so well that I'm surprised she hasn't been snapped up by your sister publication, LEG WORLD. It's so nice to see stockinged feet in HUSTLER every now and then, without the typical high heels. Tyson fit the bill and then some. She's one raunchy slut. How do you get away with printing the shocking S&M lesbianism, bathroom dildo-dicking and toilet-swirlie stuff? —C. C.

Winchester, Virginia

*Get away with what?*

### Shimmer Shake

I'm what you might call a chubby chaser. With all of the different LFP magazines Larry publishes, why hasn't there ever been one called BIG MAMAS, PLEASANTLY PLUMP RUMP or BABY-FAT TEENS? I'm not talking about photo-spreads of truly obese women but, rather, girls with more meat on their bones than the usual skinny fare. Shimmer from Detroit (*Beaver Hunt*, February 2000) was perfect. I need to see more! Please, Mr. Flynt, keep lard lovers in mind the next time you start up another magazine. Tummy rolls rule! —B. W.

Lansing, Michigan

### Open Pandora's Box

I'm a lady bartender in the most refined gentlemen's club in Kansas City. I've seen, smelled and licked more pussy than I have hairs on my bush; so when I say I know pussy, you'd best believe it. Pandora (*Beaver Hunt*, January 2000) wins my vote for fresh, new Y2K Beaver of the new millennium. The shot of her twat sticking up high in the air was quite a sight, but I need more. I swear to God, if you don't crown Pandora *Beaver Hunt* winner of the new century, I'll fly to Beverly Hills and kick Larry Flynt's motherfucking ass myself! —C. P.

Kansas City, Missouri

*Tara on the High Seas*

*Is that a threat or a promise? Don't worry, C. P., Pandora is definitely in the running. Why don't you send in some beaver-shots? Who knows? Pandora might need some special guidance in a girl/girl pictorial.*

### Fe-gasm Experiment

Regarding your *Sex Play* on female ejaculation ("The Fe-jaculation Debate: Girl Squirters—Cum or Pee?", February 2000), I personally feel that there is nothing to debate. Fuck the scientific bullshit. I've been lucky enough to have a woman perform both functions for me, and I'm here to tell you that when a woman fe-jaculates, the fluid ain't piss. All these scientists have to do to get to the bottom of this controversy is take off their white lab coats and lie directly underneath a lady's vagina while she squirts from an orgasm. burn like hell and he'll become temporarily blinded. Do the same when she pisses, and no burning will occur. The so-called scientists in your article need to put down their Ph.D.s and allow their primal urges to take over. The truth is in the XXX Files. Case closed. —B. S.

### Man Ceases to Bitch

After two straight months of bitching about the lack of uncensored penetration shots in HUSTLER's boy/girl pictorials, I thought it would only be fair of me to write and commend you on the numerous uncensored penetration shots in your pictorial *Kalla and Austin: License to Thrill* (January 2000). I don't know if my letters had anything to do with your miraculous reversal, or if you received letters from other irate HUSTLER readers, or if you were planning on showing unobscured penetration pics on your own. Whatever the reason, I commend you for giving the readers what we want—especially this reader. With that said, I would like to offer a couple of suggestions for future issues of HUSTLER: How about featuring shots of the girls deep-throating and/or rimming the guys in the boy/girl pictorials? If this is done, HUSTLER will once again be back on track as America's hardest newsstand publication. —T. B.

*Thanks for the suggestions, T. B. HUSTLER would be nothing were it not for your considerate observations.*

### Ugly Mail-order Brides: Half-Price Sale

Your article on mail-order brides (*The Chick Is in the Mail: Rummage for Mail-order Brides in the Ex-USSR*, Holiday Issue 1999) started me thinking. Instead of returning the unwanted brides back to Russia, how about giving some of us guys who aren't so picky half a chance? There are men, such as myself, who believe that attitude is just as important as looks, if not more so. Maybe our government could stockpile the unwanted ladies and sell them at a discount to veterans and seniors. Why should these Russian ladies spend a shitload of money to go back to Russia just to end up worse off than before? I would like to know what happens to all of the rejected Russian, Asian and Portuguese mail-order brides that can't afford to go back home after their husbands use them up. The way I see it, I could end up with an American woman with the wrong attitude, or a spent foreign woman with the right desperate attitude in need of my TLC. If the foreign gal is truly ugly, there's always plastic surgery and fitness clubs. A good attitude is worth spending money for.

### Middle-aged Virgin

I was pleased and surprised to see an article pertaining to people like me, involuntary virgins, in your Y2K issue ("The Art of Losing It: When Virginity Just Won't Go Away," *Sex Play*, January 2000). Although I am technically not a virgin (I've had sex three times), I feel like one because I had to pay for the pussy. I don't believe that I've ever truly made love to a woman. I'm 47 years old, not particularly good-looking, but not particularly ugly either. I'm in excellent shape from lifting weights. I am not gay or bisexual. Sex therapist Donna Carson maintains that we involuntary virgins use high standards to avoid sex. I admit that my standards are high, but I have no desire to bag dumpy, old women; I wouldn't be able to pop a boner. I joined a dating service once, but all they sent me were fat chicks. I've tried everything mentioned in the article except a sex therapist. I wouldn't know how to find one. Does HUSTLER have a list of attractive women who would be willing to give a near-virgin like me a chance?
—D. M.
Denver, Colorado

*If HUSTLER had such a list, the editorial staff would be too busy fucking to produce the magazine you hold in your pud-pounding hands. Sex therapy sounds like a good idea for you. Contact the Denver Board of Mental Health and ask to be referred to an analyst who specializes in sex-related issues. Life is too short to miss out on its greatest gift.*

### Jew Rips HUSTLER

Your Holiday 1999 issue reeks of anti-Semitism and offends me greatly. Enclosed is your anti-Semitic gift guide ("HUSTLER's Guide to Christmas Gifts for Jews: Yuletide Cheer for the Yid on Your List," *Bits & Pieces*, Holiday Issue 1999) ripped up into tiny pieces. Your attempt at humor, if such was the intent, is just plain sick. This is the last issue of HUSTLER I will ever purchase! —Anonymous

# FEEDBACK

think so, considering all the pissing in recent pictorials. Because of HUSTLER and the Internet, it won't be long before it'll be trendy for HUSTLER's models to pinch off thick, brown peanut-loaf shits for the sick Jew bastards. It won't be long now before our Jewish friends make it trendy to butt-fuck children! Why hasn't the purest form of fecal matter, Montel Williams, ever been chosen as Asshole of the Month? Why hasn't HUSTLER developed a giant human fly-strip that towns across America can use to catch niggers and Jews like David Arquette or Richard Simmons? Are you high from drinking all the piss your HUSTLER Honeys whiz? Stop sucking Jew piss, Larry, and quit pissing on America. —B. T.
Grand Rapids, Minnesota

### Lesbian Pee Fanatic

As a woman, I have to admit that when I was a lot younger and I first took a peek at HUSTLER, I couldn't understand the in-your-face sexual assault. In retrospect, I think that too much reality simply stunned my saccharine-stained, Disney-whitewashed brain. Now that I've had more experience and tried just about everything there is to try sexually, I'm a HUSTLER true believer. The girls are always hot, especially when they piss all over each other and on the floor. Let me tell ya, nothing moistens a dry pussy better than a hot, lesbian pee pictorial. Keep it wet! —W. H.
Lansing, Illinois

### I Like Funny HUSTLER

I enjoy the humorous parodies, cartoons and jokes in HUSTLER. No one else on the planet has the guts to go for the jugular vein every time. Thanks, HUSTLER. —M. B.
McLeansville, North Carolina

### Big Brother's Uncle

Full-of-shit radio talk-show bitch Dr. Laura Schlessinger has been complaining that Big Brother (a nonsex-oriented skateboard magazine popular among adolescents) paves the way for boys to read HUSTLER. After hearing this bitch rant and rave, I snapped up scores of Big Brother magazines and mailed them as gifts to my nephews and their friends. I plan to inform Dr. Laura of my donation. She will, no doubt, reply with a stock thank-you note and a Dr. Laura Warrior T-shirt, which I will use to wipe my ass. Just thought I'd let you know that I'm doing my part. —R. D.
Jacksonville, Florida

### Hillary Clinton Centerfold

As you know, I have written quite a few letters to HUSTLER requesting that Hillary Clinton be photographed as a HUSTLER Honey centerfold. I dream of her sharing my bed nightly. As I gaze down at her big, shapely ass, I shudder at the possibility of fucking her gorgeous bottom and hairy pussy. I suspect that Hillary has a very sexy side to her personality, and I want to explore that side. I have written to her directly over the past five years to tell her that, if she decides to divorce Bill Clinton, I would gladly ask her out on a date. Hell, I'd marry that refined chunk of poontang in a heartbeat! Bill has clearly ignored Hillary for years. I hope to be the lucky fellow who reaps Hillary's sweet rewards, tasting her succulent, neglected pussy and asshole. If she loses her New York Senate bid, I hope she at least chooses to pose in HUSTLER and allow her male fans to have a peek at her naked pussy, breasts, legs, thighs, hips, ass cheeks and puckered asshole. —J. ## WHAT'S A BLOWJOB?

This is kind of embarrassing, but I'm a girl who doesn't know how to give a blowjob. I am dating someone now, and I feel stupid asking him how to suck his cock. Could you please give me detailed instructions on how to give a really great blowjob? I have no one else to ask.

—T. D.
via Internet

*You obviously care about making your special someone feel special. If you haven't had sex with this person at all yet, and you do think that he deserves your maiden blowjob, then you need to be honest and tell him that you've never sucked a cock before, but are willing to learn. If he laughs at you simply because you are inexperienced, you shouldn't be sucking his dick. Blowjobs are mainly about foreplay and not the final act. Kissing should be involved from start to finish. Take your man's shaft in your mouth and slather his stick with spit. The best saliva comes from the back of the throat, though I don't recommend that you deep-throat the guy until you've mastered the basics. A blowjob is primarily a handjob with lips; the secret is all in the wrist. Twist your fist around his shaft, kissing, sucking and lubing up his sensitive mushroom head. Every man has specific likes and dislikes, just like every woman has specific requirements to reach her orgasm. If you enter a long-term relationship with this man, ask him to masturbate for you so you can see how he pleasures himself. Pay attention to what part of his penis he concentrates on. Without a doubt, he will want you to focus on the same area. For further edification, watch an X-rated video to see how the pros apply their cocksucking skills, and then practice, practice, practice.*

## SOGGY WOOD

I'm recently divorced and have just started dating again. My problem is that I haven't found a woman who can excite me to the point of full erection. I manage to snake into a chick's gash half-erect, but then I become limp until the point of explosion, when my wood becomes petrified. My ex would always complain about my lack of hardness; yet she would never do any of the things that I suggested to help us along. The lady I'm dating now follows me around and calls me at all hours to say what she wants to do to my body. She really turns me on, but I'm afraid Mr. Limpo will reappear. Could the fact that I'm newly divorced be the problem? —G. K.
Livonia, Michigan

*It doesn't sound to me like the emotional scar of divorce has fully healed. Your ex-wife still lives in your head and in your dick. Casting your rod into the first hole that's available to you might not be the best course of action, even if this chick is following you around and leaving dirty messages on your answering machine. On the other hand, you do need a woman who will make you feel good about your sexual ability. If your new friend is sincere in her desire to pamper your body, she will understand your dilemma and not ridicule you if your soggy-noodle syndrome comes creeping back. If she's worth screwing on a regular basis, she's worth opening up to. Have a heart-to-heart conversation before hopping between the sheets and humping away. If Mr. Limpo returns, don't sweat it. Focus on your pleasure, not your fear of failure.*

## THE PERFECT PENIS

What do you consider to be a small dick, an average-sized dick and a big, fat monster cock? What size is the perfect size? I have a five-inch dick, and I've been thinking about buying a penis enlarger to increase the length of my schlong. I've heard a few horror stories about pud pumps; so I don't know if I should invest in one. Do penis enlargers work? —R. V.

# Dear Slut

**How lucky for you that you haven't absorbed the social stigma where many men believe that eating one's own cum is a gay thing. Bodily fluids are best when shared.**

*I am skeptical of any device that promises more than modest, temporary gains. No contraption is capable of transforming a five-incher into a John Holmes-style, 12-inch kielbasa. Read "Too Big to Fit" in the HUSTLER Holiday 1999 issue, and you'll count your blessings. Many women can't handle more than eight inches. The perfect dick is a perfect fit for the cunt it's stuffed into. Snatch capacities vary, just as there are dicks of every size and shape. Some ladies require less schlong, some need more. It's up to the driver and the passenger to make the perfect ride.*

## RUINED TITS

I am 22 years old. I have had three kids, and it has ruined my tits. My milk bags have never been firm or perky, but now I look like some third-world chick out of *National Geographic*. My husband and I have been considering implants. Do you have them? Which are best? Silicone or saline? Don't the plastic globs harden after a couple of years? I'd hate to have the tit-stuffers ripped out after only three or four years of wear and tear. I wear a size-D bra now. Maybe I should opt for a breast-lift instead? I don't want to end up in worse shape than I already am. —B. M.

Gilmer, Texas

*I've had implants since 1992. I've breast-fed my child, which has made my tits feel more natural. I started with an A cup, became a small C cup with the implants, and, a year later, I graduated to a small D cup. Now, when I come across natural breasts and give them a good squeeze, they almost feel odd to me, like half-empty water balloons. However, I have seen extremely hideous, ridiculously hard implants as well. Research is the key. There are a million plastic surgeons out there—and a flock of quacks you must avoid. Certainly, while you want to find the best deal, you don't want to go bargain shopping for plastic tits. My implants are silicone, and I'm very happy with them thus far. The worst cases I've seen were where implants had been placed underneath the muscle instead of through the nipple and over the muscle, like natural breast tissue. If you opt for reduction surgery before implants, be warned that you're going to have scars. Ask to see pictures of a surgeon's work, and talk to women who have been under the knife. The more you know, the more comfortable you will feel with your decision.*

## OCCUPATIONAL PORN HAZARDS

I hope this letter doesn't offend you. I admire that you can be a porn slut and still be a mother and wife. It actually turns me on thinking that your husband might be watching you take part in porn scenes with other guys and then make love to you after a hard day's work. Does your man get jealous, or is he not the jealous type? —B.

via Internet

*If I had sensed for even a moment that my husband was the jealous type, there never would've been a second date. I refuse to set myself up for heartache. I'm always confused by ladies who become involved with men they can't act naturally around. My husband has always been monogamous; so my chosen career was a whole new scene for him. At first, he came with me to check out porn shoots and dance clubs to make sure that I was healthy, happy and respected. Once he discovered that I was among friends who cared about me very deeply, he felt as relaxed as I do. We've just celebrated our seventh wedding anniversary, and I expect many more to come.*

## SELF-CONTAINED

From time to time, I like to bend over and jerk my huge cock until I spray nut gunk all over my face and into my open mouth. Is it safe for a man to eat his own sperm? —T. H.

Minneapolis, Minnesota

*You have absolutely nothing to worry about. If you have a disease, you can't very well catch what you've already caught again. How lucky for you that you haven't absorbed the social stigma where many men believe that eating one's own cum is a gay thing. I know many men who won't even come in the mouth of a female lover and allow themselves to be kissed afterward. Bodily fluids are best when shared. Kudos to you for figuring out how to share the lower half of your body with your upper half. Bon appétit!*

## Moving a Load

PHOTOGRAPHY BY MATTI KLATT

Good Samaritan Chad helps Amber move into her new apartment.

"Welcome to the neighborhood." The helpful hunk aims his rod at Amber's percolating pussy. Amber pulls him in, enveloping his engorged member with her love lips.

"Thanks. Can I offer you some coffee?" the new tenant asks.

The couple writhes, savoring each other's aromas.

"I'd love some, but I'm in a bit of a hurry," Chad replies, slamming deeply into the blond beauty.

"You've been so helpful. I'd really like to repay you," Amber pants, milking hot cream from Chad's spout.

"Really, it was my pleasure."

# HOT LETTERS

## SNEAKY FUCKER

My boyfriend, Dirk, is a total square. I crave a threesome with Dirk and another guy, but he won't hear of it. He thinks that being in the vicinity of a naked dick other than his own will miraculously transform him into a fag. Of course, Dirk thrills at the notion of another woman joining us in our bedroom antics, but he refuses to entertain my hankering for a second schlong. God, he's so uptight! Don't misunderstand me; Dirk plows my gulch satisfactorily, but a saucy girl like me needs a little variety in her humping. I've got a tight, perpetually moist snatch that must, every once in a while, know the filling joy of a new peter; however, I would never deceive my man by cheating. That's why I had no choice but to play a little trick on my darling but unadventurous Dirk.

Dirk and I are friends with this gorgeous couple, Sheila and Tad. Sheila and Tad are not only extremely attractive, but they're very comfortable with the idea of Tad stuffing my ass and pussy raw while I suck Dirk's thick cock. The three of us hatched a plan to enact the double-donging I so longed for. Sheila's tight-bodied, buxom charms would be the perfect distraction. It would be a real hoot to frolic with Sheila, and Dirk would think I'd settled for the dual-chick threesome he approved of. Tad could slip it in my back door, and Dirk would be none the wiser. After much careful planning, Sheila, Tad and I set a date.

My coconspirators arrived on the appointed night with a bag of tortilla chips and a copy of *The Bodyguard*. It was not unusual for the four of us to spend an evening watching movies together. This time, they brought an extra-lame video selection. The film's shittiness would hasten the onset of boinking. Dirk, oblivious, popped the tape into the VCR with encouraging words.

"Kevin Costner's okay," he offered.

The rest of us were too consumed with sloppy sex thoughts to disagree with Dirk's idiotic assertion. My kitty throbbed impatiently; I sucked on a bottle of beer and pretended it was a cock. I grew cross-eyed imagining the pressure of pulsating man meat swelling in my orifices. I glanced over to catch Tad preoccupied, absentmindedly rubbing his impressive crotch. He noticed me looking and rose suddenly from the couch, preparing to deliver the dialogue we'd scripted beforehand.

"Sheila," he recited, "you need another beer?" Rummaging through the beer case, Tad huffed with feigned disappointment. "Shit, there aren't any more."

Sheila smirked at his stilted delivery and replied nonchalantly, "Honey, would you mind running out for another six-pack?"

"Not at all," Tad yipped, bolting out the door.

I batted my eyes at Sheila. It was time to distract Dirk. Lesbian love was cool with me when it could be shared with a stacked, exotic chick like Sheila.

"Whitney Houston's a cunt," I remarked. "This movie sucks."

"Yeah," Sheila agreed. "I'm going to take a squirt."

"I'll go with," I chirped, following her to the can. My twat tingled with delight. Giggling like teenagers, we scurried to the lavatory. I pawed gleefully at her abundant boobs. Sheila pulled her sheer, gauzy skirt over her waist and plopped onto the toilet. The music of her tee-tee ringing against porcelain tickled us further, inspiring another flutter of girlish titters.

"Don't wipe yet," I demanded. I knelt before her glistening slice and lapped the remaining droplets of pee. Her moist clam

EDITED BY DICK PURSEL

## Where the Boys Aren't 11

FULLY ERECT

Directed by F. J. Lincoln;
starring Janine, Dyanna Lauren, Leslie Glass, Kobe Tai, Tia Bella, Heather Hunter and Jenteal.
Videocassette: Vivid Video.

*Where the Boys Aren't 11* is made for a woman, but strong enough for a man. Janine and Dyanna host a ladies-only fantasy club where butch dykes in male drag serve sex-starved bitches in heat. The Lilith faeries mingle, wipe strawberries on juicy cunts and feed one another. A Sarah McLachlan-like soundtrack delicately colors the man-free environment, but with the absence of the cruder sex, the stronger-willed butchies take charge. "Down on your knees!" orders an aggressive lady cop. "I like my women naked—totally naked." Swarthy, submissive lipstick lezzie Tia Bella does as she's told and serves her mistress. The cop removes her manly, potato-sack police garb and reveals her curvaceous female splendor. Leslie Glass is a bitchy ice queen who desperately needs her pussy spanked, spat on and probed, but the sadistic cop forces Leslie to keep her distance while Tia Bella receives authoritative cunnilingus. Leslie aches for contact as she endures the tease. The cop lifts her face from Tia Bella's soaking mound and whispers to Leslie, "Bet you wish this was you." Not coincidentally, *Where the Boys Aren't 11*'s viewers will feel the same way.

*—Dan Panorama*

# XXX-Treme Vacation

## Porn Stars and Mooks Mingle in Mexico

Fantasies became reality in Jalisco, Mexico, in October 1999 during the second annual XXX-Treme Adults-Only Vacation. Invading a luxurious beachfront resort, SMS Promotions transformed the sleepy cove into porn heaven. More than 50 porn stars entertained horny fans in a weeklong sex marathon.

"As far as I'm concerned, this was the defining porn event of the year," noted porn princess Inari Vachs, on hand and knees for the festivities. "I never had so much fun, so many laughs and so much sex in my life. I loved spending the week naked with my fans, and I can't wait until May to do it again!" Vachs raved, sated by a week's worth of knob-gobbling.

SMS invited Metro Inc. to capture the sexcapades on videotape. Giving back to the fans were the aforementioned Vachs, Houston, Violet Love, Caroline Pierce, Bridgette Kerkove, Vivian Valentine, Mila, Sydnee Steele, Alexandra Silk and a sizable menagerie of lesser-known screen sluts, sucking and fucking around the clock.

Ron Jeremy was the ever-present emcee during the scheduled Fantasy Camp activities, which included naked yoga, bareback horseback riding and topless mixed-doubles tennis in addition to hard-core booty shaking at the disco.

Gang-bang queen Houston and porn thespian Bridgette Kerkove were buried up to their necks in beach sand for a double *bukkake*, during which more than 100 men took their turn popping loads until the bottle blondes' mugs glistened like glazed doughnuts baking in the hot sun.

"This is a dream come true!" proclaimed Doug, one of the paying guests. "To party with dozens of naked porn stars, all day and all night—if this ain't heaven, then I don't know what the fuck is!"

The October event so exceeded SMS's expectations that the organization announced it would hold two such events in 2000: one in May, the other in October. Both events will be held at the same resort and will follow the same regimen and price structure, which ranges from $1,500 to $2,000, depending on the number of days and type of accommodations. # Amanda's Diary 4

HALF ERECT

Directed by John Millerman; starring Monique Covet, Cassandra Wild, Carmen, Sophia Mutti, Sophie Evans, Jose Santana, Max Cortes, Nick Lang, Oliver Sanchez and Toni Ribas.
Videocassette: Private/Odyssey Group Video.

Where the fuck is Amanda? The wood-inspiring diary keeper from this series' previous three installments is mysteriously absent in *Amanda's Diary 4*. Instead, the viewer is treated to insatiable, blond Euro-whore, Monique Covet, and a gaggle of her nastiest anal mistresses. Blond-lesbian trysts highlight Monique's European sex vacation. Miss Covet and Cassandra Wild profess their love for each other during a serene hand-in-hand beach stroll. When the sapphic duo encounters a landscape painter, the suave artiste invites the lesbos to his shack for a modeling session. Fornication by candlelight ensues. Past Private imports incorporate a voice-over narration to explain who's porking who and why. Unfortunately, this effort is entirely overdubbed. One of the charms of European porn is hearing Old World tarts grunt in their foreign tongue. Dubbed chatter produces anxiety that Godzilla might crash through the wall at any moment. As a result, *Amanda's Diary 4* loses much in the translation.

# Tell Me What You Want

HALF ERECT

Directed by Jonathan Morgan; starring Missy, Kelsey Heart, Mickey G., Ian Daniels, Kyle Stone, Michael J. Cox and Mr. Marcus.
Videocassette: Wicked Pictures.

A man commits suicide and leaves his artist wife Missy with few options in *Tell Me What You Want*. The bereaved fleshpot desperately tries to sell her erotic paintings, but, in this instance, sex does not sell. The poor, widowed blonde is forced to sell the house and move into a cheap apartment. The soap-opera saga morphs into a sex fantasy when Missy takes a masturbation break from painting, nearly fisting herself on all fours. Artful edits convey Missy's mental slide show: sex with a new man in her life. Did someone say "couples sex flick"? That's right, the ensuing romance *is* engineered to please both man and woman, but the formula is missing one crucial element: The dudes are loathsome and Missy clearly deserves better. As if she doesn't suffer enough at the hands of her trollish costars, Missy becomes entangled with shady mobsters, who blindfold the vulnerable damsel. While *Tell Me What You Want* does end happily, Missy's orgasms are hard-won.

# Air Tight 6

ONE-QUARTER ERECT

Directed by uncredited; starring Envy, Cortknee, Chennin Blanc, Melanie Stone, Charlie, Taylor St. Claire, Darling Le Conte, Mark Davis, Pat Myne, Kyle Stone, Tice Bune and Jake Steed.
Videocassette: Toxxxic/Metro.

With a name like *Air Tight 6*, cunts, throats and assholes had better be stuffed. If the broad is a looker, all the better. Envy is the first tri-holed feast. Mark Davis, Pat Myne and Kyle Stone sit together on a couch, patiently jerking off in anticipation of devouring Envy's fuck craters. The feeding frenzy begins, and Envy is airtight in less than a minute. The foursome play musical holes as each stud takes his turn plunging Envy's mouth, ass and pussy. The throbbing meat pile slows to a stop when, one by one, each cocksman pulls out and blows chunks on Envy's greedy tongue. Unfortunately, the combos that follow don't live up to the airtight philosophy established in the first scene. Melanie Stone, Charlie and Taylor St. Claire stuff one another with dildos. Chennin Blanc blows two dudes and rears up to have her shitter thumbed. Darling Le Conte, a Phyllis Diller lookalike, does suck a kielbasa trio into her three holes, but the resulting airtight carnage should be frozen inside a Zip-Lock bag. *Air Tight 6* doesn't pack the punch the title demands; too many unplugged holes make the viewer's hard-on deflate. *—D. P.*

*AMANDA'S DIARY 4: Covet frolics with Amanda's men.*

*TELL ME WHAT YOU WANT: Missy, blindfolded by lust.*

*AIR TIGHT 6: One kielbasa short of being airtight, Cortknee makes do with two.*

## Private XXX 3

ONE-QUARTER ERECT

Directed by Pierre Woodman, Kovi, John Millerman and others; starring Adele, Barbie, Sorricca, Kate, Diana, Cleopatra and a pack of Euro dudes. Videocassette: Private/Odyssey Group Video.

*Private XXX 3* is a video magazine that promises highlights from future Private Euro-raunch features, but this combo of vignettes and public-relations puff pieces assaults the viewer with hard sell tactics and mediocre maidens. Perhaps the PR deluge is the result of Private becoming a public company, but customers should not have to pay for a stockholders' industrial documentary. Awards are paraded in front of the camera as Private profiles its involvement in the Venus International Erotic Fair in Berlin. Private pats itself on the back for arousing conventioneer interest in its "most innovative super-production," *The Uranus Experiment*. Combined with a fetish-fashion show featuring Private's stable of Euro-sluts and studs, the convention footage is PG-rated at best. Of the hard-core sex vignettes, most feature snaggle-toothed, Auschwitz-survivor butt-fucks that fail to inspire wood. Lezzie love between a Eurotrash Barbie and her beefy, brunet girlfriend promises to elevate *Private XXX 3* from the trash heap, but a hairy Mafia Arab with one testicle is foisted upon the girls, fucking up all hope. —*D. P.*

## Masquerade

THREE-QUARTERS ERECT

Directed by Michel Barny; starring Laure Sainclair, Anita Blond, Anita Dark, Maeva, Karen Lancaume, Eva Falk, Alexandra, Judit, Philippe Dean, Philippe Soine, Roberto Malone, Alex Mantegna, Laurent Mars and Hakam. Videocassette: Wicked Pictures/Marc Dorcel.

A pretty-boy doctor cheats on his wife, who exacts her revenge by becoming a belle du jour at her husband's favorite brothel in *Masquerade*. This French import, originally titled *L'Empreinte du Vice*, is unfortunately dubbed, but *Masquerade* overcomes the fake grunts and groans with a stellar cast of stunning harlots that please eye and cock alike. The doctor boy's wife, Laure Sainclair, won't allow him to fuck her *fleur de butthole*. "It's just not natural," she protests. Anal sex is a requirement for all randy frogs; so the good doctor excuses himself. "I have a late meeting; don't wait up for me," he tells her before dashing off, croissant in hand. Suspicious, the unbelievably hot, blond wifey digs through her husband's trousers, finding a phone number that leads her to a whorehouse that could pass for Versailles. After a strict lesbian initiation by the madam and several practice runs with the whorehouse regulars, Sainclair becomes a celebrated prize in the evening's costumed orgy. A spectacular D. P. featuring Sainclair and her husband is the grand climax in the evening's *Masquerade*. —*D. P.*

# Tinkle Tinkle Sprinkle Star

## Annie Sprinkle Surveys the Sexual Landscape From Her Sexual Peak

Void of highfalutin attitude, pioneering porn siren Annie Sprinkle was the girl who gleefully fucked her lustful fans and sprinkled when she came. Still spurting at 45, Annie has evolved into an evangelist for the cause of guilt-free humping. "Sex is the most fascinating subject there is," the wise hedonist observes. "Why anyone would want to make a movie about anything else, I'll never know."

Apropos of this notion, a small flood of carnal cinema has flowed from Sprinkle's head and crotch of late. *Herstory of Porn: From Reel to Real* chronicles Sprinkle's 25-year career. Codirected by her former streetwalking gal pal Scarlot Harlot, the documentary is far more than a series of lowbrow highlights, although there are many of those to be had. Sprinkle sodomizes herself with a toothbrush, sucks a midget's dick, fists a dude, is fucked by an amputee's flipper, sucks and fucks a female-to-male transsexual and indulges in vomit fantasies. "Feel free to masturbate if you want to," encourages Sprinkle with an ironic giggle. Sprinkle may currently be a darling in women's studies and performance-art circles, but much of *Herstory*'s footage is still considered shocking by today's porn-community standards.

In detailing Sprinkle's career, *Herstory* offers a lesson on the history of the blue screen itself. *Deep Throat* graced the marquee in 1972 when Sprinkle took a job as a popcorn girl in a Tucson, Arizona, "art" theater. She found herself mesmerized by the groundbreaking film's honesty, humor and erotic force. The flick was confiscated by police, and Sprinkle was a star witness during the obscenity trial that followed.

In 1982, *Deep Inside Annie Sprinkle* became a XXX box-office smash. Written and produced by Sprinkle herself, the film forged a very wet trail. *Rites of Passion* followed in 1984. The seminal Tantric-sex vid also features HUSTLER's *Dear Slut* advice columnist Jeanna Fine indulging in "the dance of the forces of creation."

Sprinkle also recently teamed up with fellow sex educator Joseph Kramer to create a series of self-help videos for evolved granola couples. In *Female Genital Massage*, Sprinkle guides modern hippies through an hour-long foreplay regimen that she claims will produce ground-pounding orgasms. *Zen Pussy* details the art of "medibating," which the former HUSTLER centerfold calls "a cross between masturbating and meditating." An assemblage of 11 huge, hairy pussies fills the screen and builds to shuddering "laugh-gasms" without fingers entering to stir the brew.

What fascinates Annie Sprinkle may not engorge the collective American dick, but her enthusiasm for the miraculous gift of human sexuality is infectious in all the right ways.

*Herstory of Porn: From Reel to Real*, *Zen Pussy* and *Female Genital Massage* can be ordered through Good Vibrations at 1-800-289-8423, or www.goodvibes.com. Check out Annie Sprinkle's Web site at: www.heck.com/annie.

# Jim Holliday's Nymphomercials

THREE-QUARTERS ERECT

Directed by Jim Holliday; starring Julie Meadows, Kelsey Heart, Felecia, Barett Moore, Tiffany Myrx, Tabitha Stevens, Sydnee Steele, Daisy Chain, Chandler, Shelbee Myne, Chaz Vincent, Maya Divine, Chennin Blanc, Shayla LaVeaux, Jill Kelly, Ron Jeremy, Julian, Mark Davis, Van Damage, Eric Masterson and Cheyne Collins. Videocassette: VCA.

Sex sells in Jim Holliday's *Nymphomercials*, in which Ron Jeremy and Julie Meadows host a hedonistic Home Shopping Network. Often funny, Jeremy and Meadows also deliver a decent snog session. The Hedgehog tongue-fucks Julie's sopping snatch. Fingering his cohost's minnow like the expert he was born to be, Ron prepares Julie's split for his greasy pole. Meadows, refreshingly thin and natural-breasted, rides Jeremy's jimmy, her long, blond hair whipping furiously as she skewers herself on Hedgehog schlong. Meadows counts down as Jeremy prepares to liquidate his backstock of jizz. Ron spurts across her tiny breasts. With a gleaming smile, the slender tart admiringly receives the spew. Moving along to another hard sell, Julian plunders Barett Moore's muffhole while she recites the pitch, "Call 1-555-4-NYMPHOS." Don't touch that dial; *Nymphomercials* is laid programming with more to offer than the Franklin Mint.

*—Nicholas Veridian*

# Fear and Loathing With Kid Vegas

TOTALLY LIMP

Directed by Kid Vegas; starring Caroline Pierce, Nina Whett, Marcella, Kendra Jade, Heaven Leigh, Bahktin Lisa, Naughtia Childs, Herschel Savage, Joe Blow, Fat Nicky, Spanky Freebreeze and Kid Vegas. Videocassette: X-traordinary Pictures.

*Fear and Loathing With Kid Vegas* overdoses on mind-alteringly boring poontang and MTV VJ-style hype. In his ripoff of Hunter S. Thompson's classic novel, Kid Vegas is lost in the K-hole. Kid could've easily created a clever, edgy fuck film. He didn't. Instead, the self-proclaimed champion of Gen-X porn leads the viewer on a dull road trip through his ego. Sporting a half-assed Dennis Rodman hair-don't and a piss-poor impersonation of Hunter, Vegas haplessly bumbles in front of the camera, occasionally squeezing an inch of his limp dick inside a budding young starlet. Ellen Barkin lookalike Kendra suffers a brief, anticlimactic butt-bang from the Kid. Ultrahot Heaven Leigh flashes her perfect, pink pussy and prim pooper. Sadly, none of the men are gonzo enough to drive their gleaming, red Cadillacs into her cleanshaven snatch. Heaven is forced to beg for spum, which finally flops across her snow-white tits. The irritating video effects, moronic rambling and unfucked twats in *Fear and Loathing With Kid Vegas* produce a terrifyingly bad trip. *—N. V.*

# California Cocksuckers 9

THREE-QUARTERS ERECT

Directed by Chuck Martino; starring Kristi Myst, Bee Spanx, Mandy Mystery, Mila, Barett Moore, Rebecca Wild, Leanna Hart, Anastasia Blue, Cortknee and Chocolate. Videocassette: Sin City.

West Coast wangs are siphoned of spew in *California Cocksuckers 9*. Bobbing beauties swallow pricks in this oral-only offering. Mandy Mystery, sporting a punk-rock, cherry-red dye job, black fishnet bodysuit and perfect, perky tits, is the hottest hooch of the cocksucking cast. Sauntering into an arcade, the alliteratively named tramp grabs onto a fleshy joystick and gobbles her way to a high score. Cortknee, a fair-skinned pricktease, taunts a turgid tool. Taking her time, Cortknee savors each supple stroke. Slowly sliding her lips down the massive man root, Cortknee deep-throats, licking balls at the bottom of every bob. Innocent Anastasia Blue, a blond schoolgirl type, dabbles with her nasty side. Obviously a beginner blow-babe, Blue proves that she's got spunk by scene's end. With a wink and a smile, Anastasia Blue milks ball batter to become an honorary b.j. princess. *California Cocksuckers 9* is a California dream come true. *—N. V.*

*JIM HOLLIDAY'S NYMPHOMERCIALS: Meadows plays host to the Hedgehog's log.*

*FEAR AND LOATHING WITH KID VEGAS: Loathsome Vegas violates Gen-X booty.*

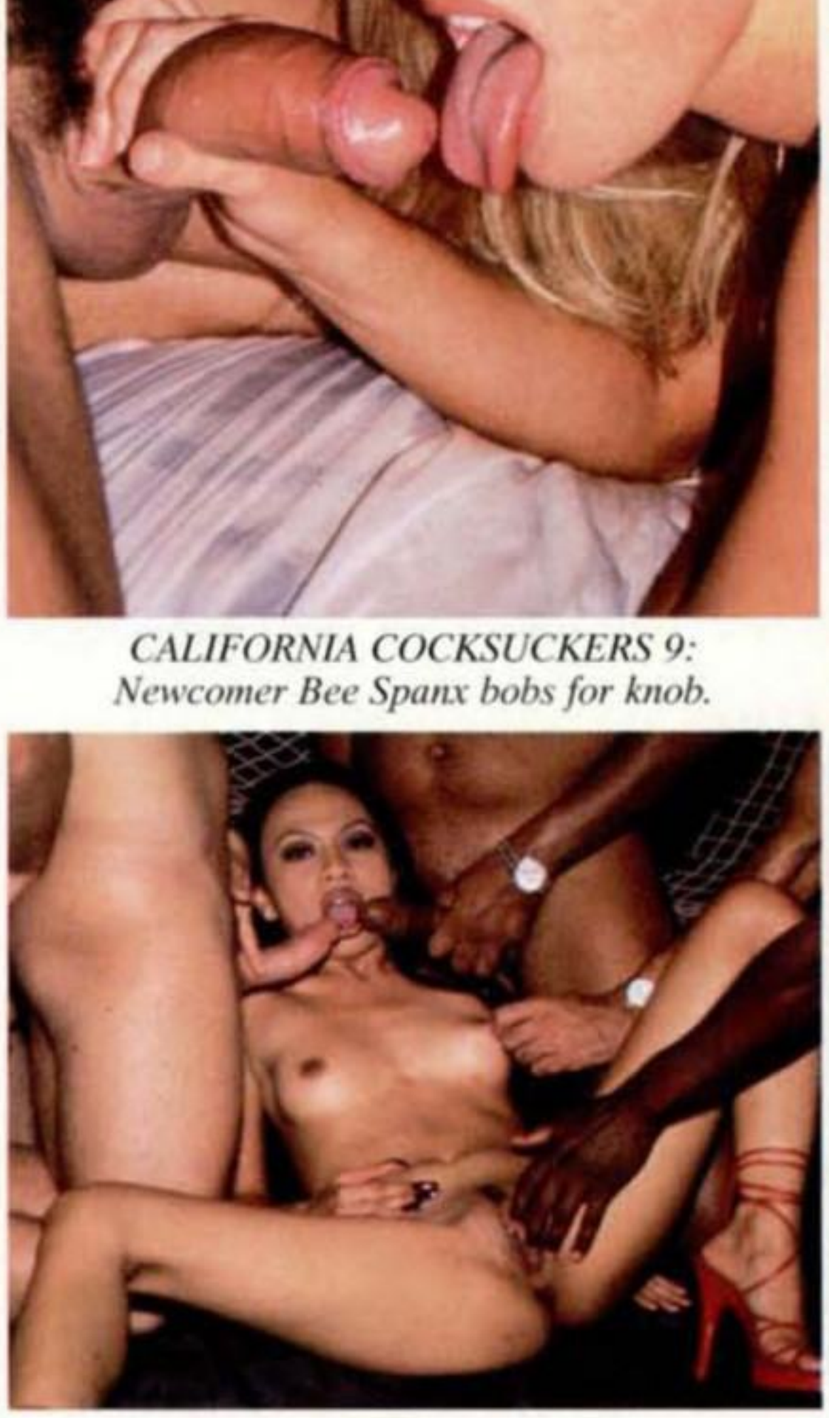
# Gang Bang Angels 6

HALF ERECT

Directed by Alex Ladd; starring Jade Marcela, Herschel Savage, John Strong, Julian St. Jox, Brandon Iron, Guy DeSilva, Dave Hardman, Steve Taylor, Tice Bune, J. J. Michaels and Santino Lee. Videocassette: Elegant Angel.

Jade Marcela takes on a dozen dicks in *Gang Bang Angels 6*. Jade's satin-black hair and lithe body are custom-made for sin. Laid out on a table, Asian flesh doll Marcela is served up like the early-bird special at a sushi restaurant. With California rolls spread across her nubile bod, Jade patiently waits while the dick disciples snack on seaweed before plowing into the main course, poking, prodding and pinching Marcela with blood-engorged chopsticks. A round robin of b.j.s begins. Horny hunks line up, whacking their willies while waiting to dip into one of Jade's ports. Sadly, the solemn rotation of slamming becomes tedious. Like clockwork, the porkers switch off on their Jade-jamming duties. Marcela's ass blooms red as she rides pole after pole. Rigid rods vie for a spot in her spit-smeared smile. Dual dicks bump, crowding Jade's elastic cooze. Cocks corral around and bathe the Asian angel in goo. Jade listlessly helps the men milk their manhood. Marcela may look like a spicy gob of wasabi, but in *Gang Bang Angels 6*, she's simply a lukewarm slice of fish. —*N. V.*

*CALIFORNIA COCKSUCKERS 9: Newcomer Bee Spanx bobs for knob.*



*GANG BANG ANGELS 6: "Come one, come all!" demands Jade Marcela.*

# Shane's World 19: Tropical Paradise

**FULLY ERECT**

Directed by Shane; starring Halli Aston, Cheyenne Silver, Charmane Star, Vivian Valentine, Eric Everhard and Chris Cannon. Videocassette: Odyssey Group Video.

Key West snaps straight as an arrow when sultry sluts invade the conch republic in *Shane's World 19: Tropical Paradise*. Shane plays her *Real World* ripoff perfectly this time around; mildly entertaining, the interviews are not long, boring or annoying. The mercifully short interludes leave plenty of time for the crew to screw. Vivian Valentine and Cheyenne Silver prove likeable; Cheyenne even jokes about pussy farts, while Vivian is rarely seen without a beer in hand. When Shane's camera focuses on skin, you can't take your eyes off the perfect pair of fuckbots. Thunder and lightning roar as Vivian and Cheyenne take on Chris Cannon in the pouring rain. Sitting on a wall, slender Valentine luxuriates under Cannon's lapping tongue. Silver slithers through the puddles to suck on his hose. Chris pounds Cheyenne's pelt while Vivian sits on her face and grinds. Cannon warms the soaking-wet nubiles with a tepid shower of splooge. At sea, Cheyenne transforms into a cock monster, gobbling Chris's untamed serpent. Vivian scrambles Halli Aston's snatch in a shower stall with her tongue, sending her first mate into a hurricane-strength orgasm. Weary seamen rejoice; *Shane's World 19* is a pud-spanker's paradise. —*N. V.*

*SHANE'S WORLD 19: TROPICAL PARADISE: Cheyenne Silver downs Everhard's tropical cocktail.*

# Taking Out the Trash

**THREE-QUARTERS ERECT**

Directed by Tommy Ray; starring Phyllisha Anne, Candy Hill, Nina Whett, Elle Devine, Vivian Valentine, Charlise L'Amour, Alex Sanders, Alec Metro, Eric Everhard and Jack Hammer. Videocassette: VCA Xplicit.

Foul-mouthed tramps rock the trailer park in *Taking Out the Trash*. Celebrating the boner-popping magnetism of lowbred country cooze, these welfare wenches strut their sweet, slutty stuff. High-cut Daisy Dukes bisect shaved clam. Dirty knees drop to the oil-stained asphalt. Junkyard pussies are pistoned by redneck rods. A scummy bathroom hosts a horny ho-down when Candy Hill and Phyllisha Anne devour Alex Sanders's scrotum pole like hot-buttered corn on the cob. Later, red-hot redhead Vivian Valentine, pigtailed like Mary Ann from *Gilligan's Island*, leads Sanders to a lawn chair. Valentine slides her luscious lips over the randy, potato-nosed hair farmer's gherkin and sucks him silly. Vivian climbs aboard, and Alex spanks her deliciously round rump. Vivian smiles devilishly as Sanders's fleshy spum pipe invades her sphincters. Alex teases her, popping out of her gaping pooper, then returns to drill her crapper raw. Thanks to a searing performance from Valentine, *Taking Out the Trash* guarantees that the South will rise again. —*N. V.*

# Hot Letters

**I wriggled my tongue in Dirk's dank fudge tunnel as Tad tiptoed up behind me and jammed his hungry man root into my honeypot with little ado.**

was warm and salty. I dipped my tongue in her hole and flicked. Sheila drew in her breath and cupped my taut titties.

"Wait," she panted. "We've got to stage this properly—*then* we'll fuck like maniacs."

We disrobed swiftly and briefly indulged in fingering each other's sopping snatches before returning to business. Sheila revisited the toilet and wiped the living shit out of her ass. She wiped so diligently that an entire roll of toilet paper wound up in the latrine. Upon flushing, the gigantic wad of t.p. clogged the plumbing.

"Oh, dear," I grinned. "What will we do now? The can's all backed up."

"Call your boyfriend in here," Sheila recommended as she bent me over the malfunctioning commode. She slid three fingers up my tunnel and flicked my asshole with her agile tongue. My rump spasmed.

"Dirk," I hollered. "*Diiirrrk!* Come help us! The toilet's broken!"

Dirk knocked hesitantly at the door. I pushed my ass into Sheila's face and bounced merrily on her lapping tongue.

"Come in, Dirk," I purred. "We're decent."

Dirk entered. His expression conveyed confusion and arousal at our writhing union. The wet, plunging sound of Sheila's fingers stabbing my flue reminded him why he'd been called to the bathroom; he distractedly examined the throne.

"The toilet," Dirk muttered, his eyes darting to the plugged-up potty.

"Fix it later," I advised. With great willpower, I popped my backside from Sheila's engaging manipulations. I sat her on the john and parted her lean, supple legs. Sheila smiled and fondled her heavy hooters.

"Her pussy tastes amazing," I told Dirk. "Go ahead and try it. Suck Sheila's pretty squishy while I swallow your prick."

Dirk obediently knelt between Sheila's thighs and commenced slurping. Sheila and I beamed at each other; Tad would arrive at any moment. Soon his honker would be sneaking its way up my tunnel.

I sat between Dirk's knees and sank his sausage down my throat, parting my legs in anticipation of Tad's surreptitious arrival. Dirk lapped Sheila's cooter contentedly. I heard the front door creak open. A gush of excitement dribbled from my poon, forming a puddle on the tiles. Tad poked a cautious head in the door. I held up a finger, prompting him to hide a moment longer.

"Dirk," I slurped. His wood sprang from my throat. "Do Sheila doggy-style and I'll give you a rimjob."

Dirk's eyes bulged with delight. Sheila crouched on all fours, her booty swaying enticingly. Dirk mounted the horny bitch, his face sweaty with elation. While Dirk pumped his jolly dong up Sheila's chute, Tad slipped in unnoticed. I wriggled my tongue in Dirk's dank fudge tunnel as Tad tiptoed up behind me and jammed his hungry man root into my honeypot with little ado. The abrupt thrust jarred me momentarily, forcing my nose up Dirk's bunghole. Dirk grunted his approval. I snorted and savored the reaming Tad was administering. I was thrilled with his hard and fast technique, but would not lose sight of my goal of enjoying two rods at once. I nodded to Tad. He wrenched his prong from my outlet, scuttling behind the shower door. He hid long enough for us to rearrange Dirk so I could get a hold of his dick.

"Lie down," the well-lubed Sheila instructed Dirk. "I need to sit on your face."

Dirk gladly stretched out on the floor. Sheila lowered her dripping coot onto his eager mouth. I slobbered lovingly on Dirk's peter and gestured to Tad. Instead of reentering my cookie, he snaked his way into my brown pucker. My mouth's grip on Dirk intensified as a result. An enthusiastic, cunt-muffled moan escaped his lungs. For every powerful thrust Tad dealt my anus, Dirk's dick lunged further down my gullet. Dirk was experiencing the most superb blowjob of his life. Unbeknown to him, he had the raging and unrepentant penis of another man to thank for the privilege.

That night, I came harder than I ever have. Dirk never caught on; he was too busy blowing a scorching load in my piehole the exact moment Tad's raging spurt of goo flooded my ass. Sheila chuckled and rested her muff on Dirk's face, blinding him long enough for Tad to slip out undetected.

See, ladies, there are ways to work around an uncooperative boyfriend. Dirk had a splendid time, and my yearning for an extra wad was fulfilled. It only requires a little ingenuity and a couple of good fucking friends. —A. F.

## APRIL FLOOZE

I'm such a prankster, I crack myself up. No one is safe from my wacky antics. April Fools' Day is, of course, my most cherished holiday. I celebrate wholeheartedly, seeing to it that plastic vomit and hand buzzers will be enjoyed by all (or at least by me). This year I went all out; I was determined to transform the dull office I work at into a nonstop laugh riot. Much to my delight, Lucinda, a fiery-haired, bubble-butted dish in data entry, responded to my comedy stylings with the gift of her sweet coochie.

**My hand dipped into her satin panties. A glob of goop dripped from one of my boils and splashed her thigh. She squealed with delight and clutched my eager boner.**

I arose at 5 a.m. this April Fools' in order to prepare. With liquid latex and fake blood, I transformed my face into a gory mess. I added blisters and oozing boils to replicate the gruesome countenance of a burn victim. Guffawing at my visage in the mirror, I anticipated the expressions of horror and confusion that would distort my co-workers' faces.

Upon my arrival, I strolled nonchalantly down the halls of Brack Incorporated. Every person I encountered emitted squawks of dismay. I tossed my gooey head back and chortled, infinitely pleased with myself. A soft thud jarred me as I walked down the hall distractedly. I had bumped into Lucinda. Her dark, soft eyes studied me with an expression closer to fascination than disgust.

"Wow," she gasped, her plump titties heaving. "What happened to you?"

"No biggie," I explained with melodramatic bravado. "My automobile burst into flames on the way in this morning." So amused I was with my own hilarity, a snicker escaped my nostrils.

"*Ohhh*," Lucinda tittered. "You're putting on a little joke. I like the way it looks though."

She leaned closer, looking around cautiously. Her stiff nipples brushed my arm as she confided, "I know you're just kidding, but I have this weird thing for hideously disfigured men. Is that normal?"

At first I was taken aback, but quickly realized I had been presented with a golden opportunity. I gazed in amazement at the alluring creature before me. So petite, yet so built! A man could bounce quarters off that exquisite ass. My wiener stirred anxiously at the sight of the comely gore fetishist.

"There is absolutely nothing wrong with your quirk, Lucinda," I reassured her, drawing my arm around her dainty waist. "You have unique tastes. Let's go to my office so we can talk a bit more about it. You'll feel better if you share your feelings."

Lucinda nodded in agreement. I led her to my office and locked the door behind us. She sank into the squishy chair facing my desk. Her fair face looked vulnerable, nervous. She slid further into the seat, her creamy legs parting slightly. She gazed at my pus-covered features and smiled.

"I don't understand it," she sighed. "I never paid you any mind before. But now, in that goofy fright makeup, you're strangely beautiful. You must think I'm a freak."

"Not at all," I lulled. "You're different, like me. Just as I love a hearty cackle, you adore horrific deformity."

My hand trailed up her smooth leg and dipped into her satin panties. They were sodden with clam juice. A glob of goop dripped from one of my boils and splashed her thigh. She squealed with delight and clutched my eager boner.

"I don't care if your grossness is only make-believe," Lucinda cried ardently. "Let me fondle your donger and pretend I'm doing it with a real-life burn victim."

I unzipped my trousers and slapped her delicate cheekbones with my tool. She swiftly slurped my veiny pole as I wallowed in the bliss of her maw. Unable to resist, I popped one of my carefully crafted facial pustules. Gunk squirted in her eye. She yipped with surprise, then laughed, elated.

"That's right, yucky boy," she urged. "Sully me with your repulsive slime. Plow my pussy with your ugly crotch monster!"

I chortled, happy to oblige the depraved bitch. I lunged at her blushing cootie. In a flash, my nasty nads were spanking her ass cheeks as my dick pummeled her sloshy pie. She seized my shoulders and hurled me to the floor.

"I wanna be on top," she wailed, "so I can have my way with your wretched complexion."

Lucinda pounded me with frightening ferocity. I was helpless, pinned and dumbly transfixed by her flapping knockers. She gnawed at my grody, fire-ravaged mug like a cavewoman.

"*Aaarrgh*," she roared, gripping my plastic wounds in her teeth. "Your fetid flesh nauseates me. Fuck me like you mean it, you nasty abomination! Lucky mutant—a repulsive sack like you would never dream of screwing a cunt as gorgeous as mine!"

Her savage zeal was unsettling. I needed to remind the rabid monster lover that I was boss. I dug my fingers into her fleshy hind end and yanked her snapper from my hammer. Lifting Lucinda by the waist, I slammed her against my file cabinet. Shock waves rippled her tender flesh. I smacked her fleshy glutes and clutched a fistful of dark-red hair.

"Behave, little whore," I hissed. "This crispy troll's gonna teach you a lesson. You think it's a fucking privilege for my repugnant cock to be allowed a dip in your slot? You're the lucky one, bitch. I'm granting your precious pussy the chance to revel in the rare treat of my seared sausage!"

Lucinda thrust her booty toward me in desperation. I rammed her conch mercilessly until a scorching geyser of spunk erupted from the tip of my purple poker. Ribbons of nut sludge sizzled against her needy behind. Triumphantly, I spanked her sticky backside. Lucinda twisted around to face me, gleaming with gratitude. Her face

## HOW TO MAKE A DILDO OF YOUR OWN COCK

BY DAVE CARNIE * ILLUSTRATION BY MARK POUTENIS

Phone-sex ads in the back of HUSTLER are a great place to warm up for a good jackoff session, even though weird shit like transvestites, barnyard trysts and "bi-curious?" ads tend to wither my erections. The postage-stamp-sized blurbs—also hilarious: BUTT BALLIN'! LICK IT, SUCK IT, THEN SCREW THE SHIT OUT OF IT!

While leafing through this pervert's gallery one day, I chanced upon an ad that read: MAKE AN AMAZING DILDO OF YOUR PENIS. A photograph showed a dude holding his wanker in one hand and a perfect replica in the other. PENIS ENLARGEMENT? FORGET IT! YOU'LL FIND YOU'RE MUCH BIGGER THAN YOU EVER THOUGHT! *Fuck yeah*, I thought.

According to the ad, the penis clone is something a guy is supposed to give to his girlfriend or wife when he leaves town on business—sort of a pacifier for grownups. I immediately thought of six even better reasons why I needed an exact replica of my tallywhacker:

1) I would be able to suck my own cock and finally know the secret pleasures that porn sluts derive from gargling rubber.

2) "Go fuck yourself!" could take on new meaning. I've tried to push my meat missile into my own puckered starfish more times than I can count, but it turns out that fucking yourself is as difficult as putting your elbow in your ear. With an exact copy of my love pump, I could take narcissism to new depths.

3) When I'm cruising for chicks at bars, I can introduce myself by whipping out my dong and saying, "Hey, baby—wanna piece of this?"

4) I could hang my second penis from my rearview mirror, wear it as a necklace, or just tape the dork to my chin as a conversation starter.

5) I could go to a restaurant, order soup, put the dildo in the dish, call the waiter over and say, "Hey, you didn't tell me my wiener was on the menu."

6) I'd have the perfect bluff for the occasions when I'm trying to win back my car keys in a hand of poker: "I'll bet my dick on it."

Figuring that the more of my cock I had lying around, the better, I decided to buy three kits. I sent a check to the address provided in the ad and waited eagerly for the $49.95 dick replicators to come in the mail.

When the dildo-making kits finally arrived a few days later, I plied my girlfriend with booze, sweet talk and foreplay. I waited until we were about to fuck before exclaiming, "Wait—let's make a dildo!" Unfortunately, after reading the directions, I discovered that memorializing my manhood in long-lasting latex involved mixing goop and using stopwatches and controlling temperatures. I opted to fuck my girlfriend with my real penis instead.

The next day at work, I couldn't stop thinking about cloning my cock in rubber. I came home and told the old lady, "I proclaim Monday Official Dildo-Making Day."

Since the ingredients have to be mixed together at exactly the right temperature and, more importantly, the penis being duplicated must be fully erect while the dildo mold is setting, I enlisted the assistance of my girlfriend and put her on duty, deeming her Official Ball Tickler of the momentous event.

Making a negative impression in the dick mold required cramming my dork into a cup of wet rubber that hardened very rapidly. I mixed up the muck, poured it into the special cup that came with the kit and handed my cock to my girlfriend (I get hard just looking at her; so I was already sportin' wood). She rammed my pork into the gunk-filled cup. The sensation felt like I had stuck my dick in a really thick milk shake. Unlike a milk shake, the sludge I buried my dingaling in started to coagulate into a rubber penis impression after a couple of minutes. Enraptured by the gelatinous texture, I pretended I was fucking a dead seal.

**Sure enough, there was a hole in the cup where my penis had been, but all around the rim, clumps of pubic hair seemed to be growing out of the mold like a foul Chia Pet.**

After a minute or so of standing there, having my balls stroked by my lady, it was time to pull out, but I couldn't disengage my dick. With sweat pouring down my face, I read the box copy: RELAX! it said. REMEMBER, THIS IS SUPPOSED TO BE FUN! I panicked and imagined sitting in an emergency room, explaining to a doctor why my schlong was stuck in a cup. My old lady realized that my pubic hair was welded into the mold. Grabbing some scissors, she cut me loose—very delicate business.

I was released from my penis prison, but I had bald spots where my pubic hair used to be. White gunk was plastered all over my shaft. Sure enough, there was a hole in the cup where my penis had been, but all around the rim, clumps of pubic hair seemed to be growing out of the mold like a foul Chia Pet. It was fucking gross.

The kit came with two bottles of goop. I mixed the exact amount from each bottle, poured the pink taffy into the mold, and put the completed kit up on a shelf to harden. That night, I lay down in bed next to my girlfriend with a smile on my face, confident that, in the morning, there would be another member added to our household.

Alas, when I awoke and ran to my dildo-making kit like a child on Christmas morning, I found that the rubber had not hardened. I let the disgusting experiment sit another day. The schwanz still didn't harden; so I threw my dick in the trash.

I thought that would be the end of my dildo-making endeavors, but my editor at HUSTLER badgered me for months.

"Did you stick your dick in that thing again?" he'd ask. Frankly, I was scared. I'd say, "Oh, no, I haven't had time," or "No, I haven't had an erection in weeks," but nothing would squelch his questioning. He seemed to really want to see my dick. Truthfully, I did too.

I made a second attempt to cast my meat mallet a couple of months later. I decided I could use another haircut down there anyway. I didn't have the benefit of my Official Ball Tickler, though, because she was at work; I had to rely on my stroke-mag girlfriends. Before I began, I put a pair of scissors on top of the toilet, then I mixed the ingredients up, just like I had done before. I commanded a boner and crammed my meat into the Arctic pussy cup. Again, for some reason, the slush never hardened. If someone had taken a picture of me, I would have titled it: *Man With Cock in Milk Shake*.

It took about half an hour to scrub all the shit off my dick, and I lost even more pubic hair than I had the first time around. I kind of liked the haircut though; I had that porn-cock thing going, which was cool until the razor burn started itching.

Making a dildo had stopped being "fun"; it had descended into a war between me and that Goddamn dildo-making kit. I had lost the first two battles, not to mention a lot of pubic hair, but I had decided I would clone my cock or die trying.

On my third attempt, I disrobed, socks included. I fashioned a pubic shield out of a sheet of wax paper by cutting a hole in the middle. I selected only the finest girls from my collection of stroke rags and laid them out before me. Once again, I mixed the material, but, this time, I stirred like I had never stirred before. I cursed the mixture. "I'm going to fuck the shit out of you," I seethed.

With the wax paper shield around the base of my wiener, my eyes glued to some girl's ass—Sandy, I think her name was—and my dingdong at full mast, I penetrated the icy cup. No one could have tickled my balls with the fervor that I did during that episode. I even made funny little fuck faces. After a couple of minutes of feigned ecstasy, I pulled my dick out of the boggy mix and, lo and behold, a perfect mold was left behind with no pubic losses. To celebrate my victory, I jerked off into the sink.

*Unless you have a good spoon*, I reasoned, *you can't mix worth a fuck*. I stole one of my girlfriend's finest mixing spoons. I knew I was going to catch hell for ruining her silverware, but I didn't care. If I succeeded, my girlfriend would be able to stir her Goddamn soup with my fucking dick. I measured the gel, stirred it up and filled the mold. I wasn't sure who the god of dildos was, but I offered him/her a prayer before putting the cup on the shelf.

By morning, the rubber was pleasantly turgid and fleshlike in color and texture. Success! I carefully peeled away the mold until I was holding in my hands an exact replica of my unit.

*It's that small?!* I thought. Even though I wasn't the least bit amazed by how "big" I was, as the advertisement had promised, it was weird to hold my own dick—complete with veins but pitted with air bubbles in some places and blemished by warts that I don't even have in others. I held the dildo for a long time, turning it around and around, before I stuck my tongue out and tentatively took a little lick.

*Readers who are hard up for a rubber hard-on can write to: ABACUS 017, P.O. Box 185, Carpinteria, CA 93014, or phone 1-800-895-3334.*

# Nici the Collector

PHOTOGRAPHY BY CLIVE McLEAN

Nici strolls the showroom floor, attracting the gaze of a studly security guard.

"My classic shape and form turn heads at every auction," she says nonchalantly, running her finger across the satiny maple finish of a federal-style armoire. She licks a finger and slides it down her skirt. A bead of sweat trickles down the rent-a-cop's face.

Nici closes in, pressing her quim against his stiff trousers.

"Today, I want to fuck on a colonial rolltop desk," she whispers in his ear, slipping him a wad of cash. "When it comes to fine hardwood, price is no object," Nici admits. "If a piece catches my eye, I must have it."

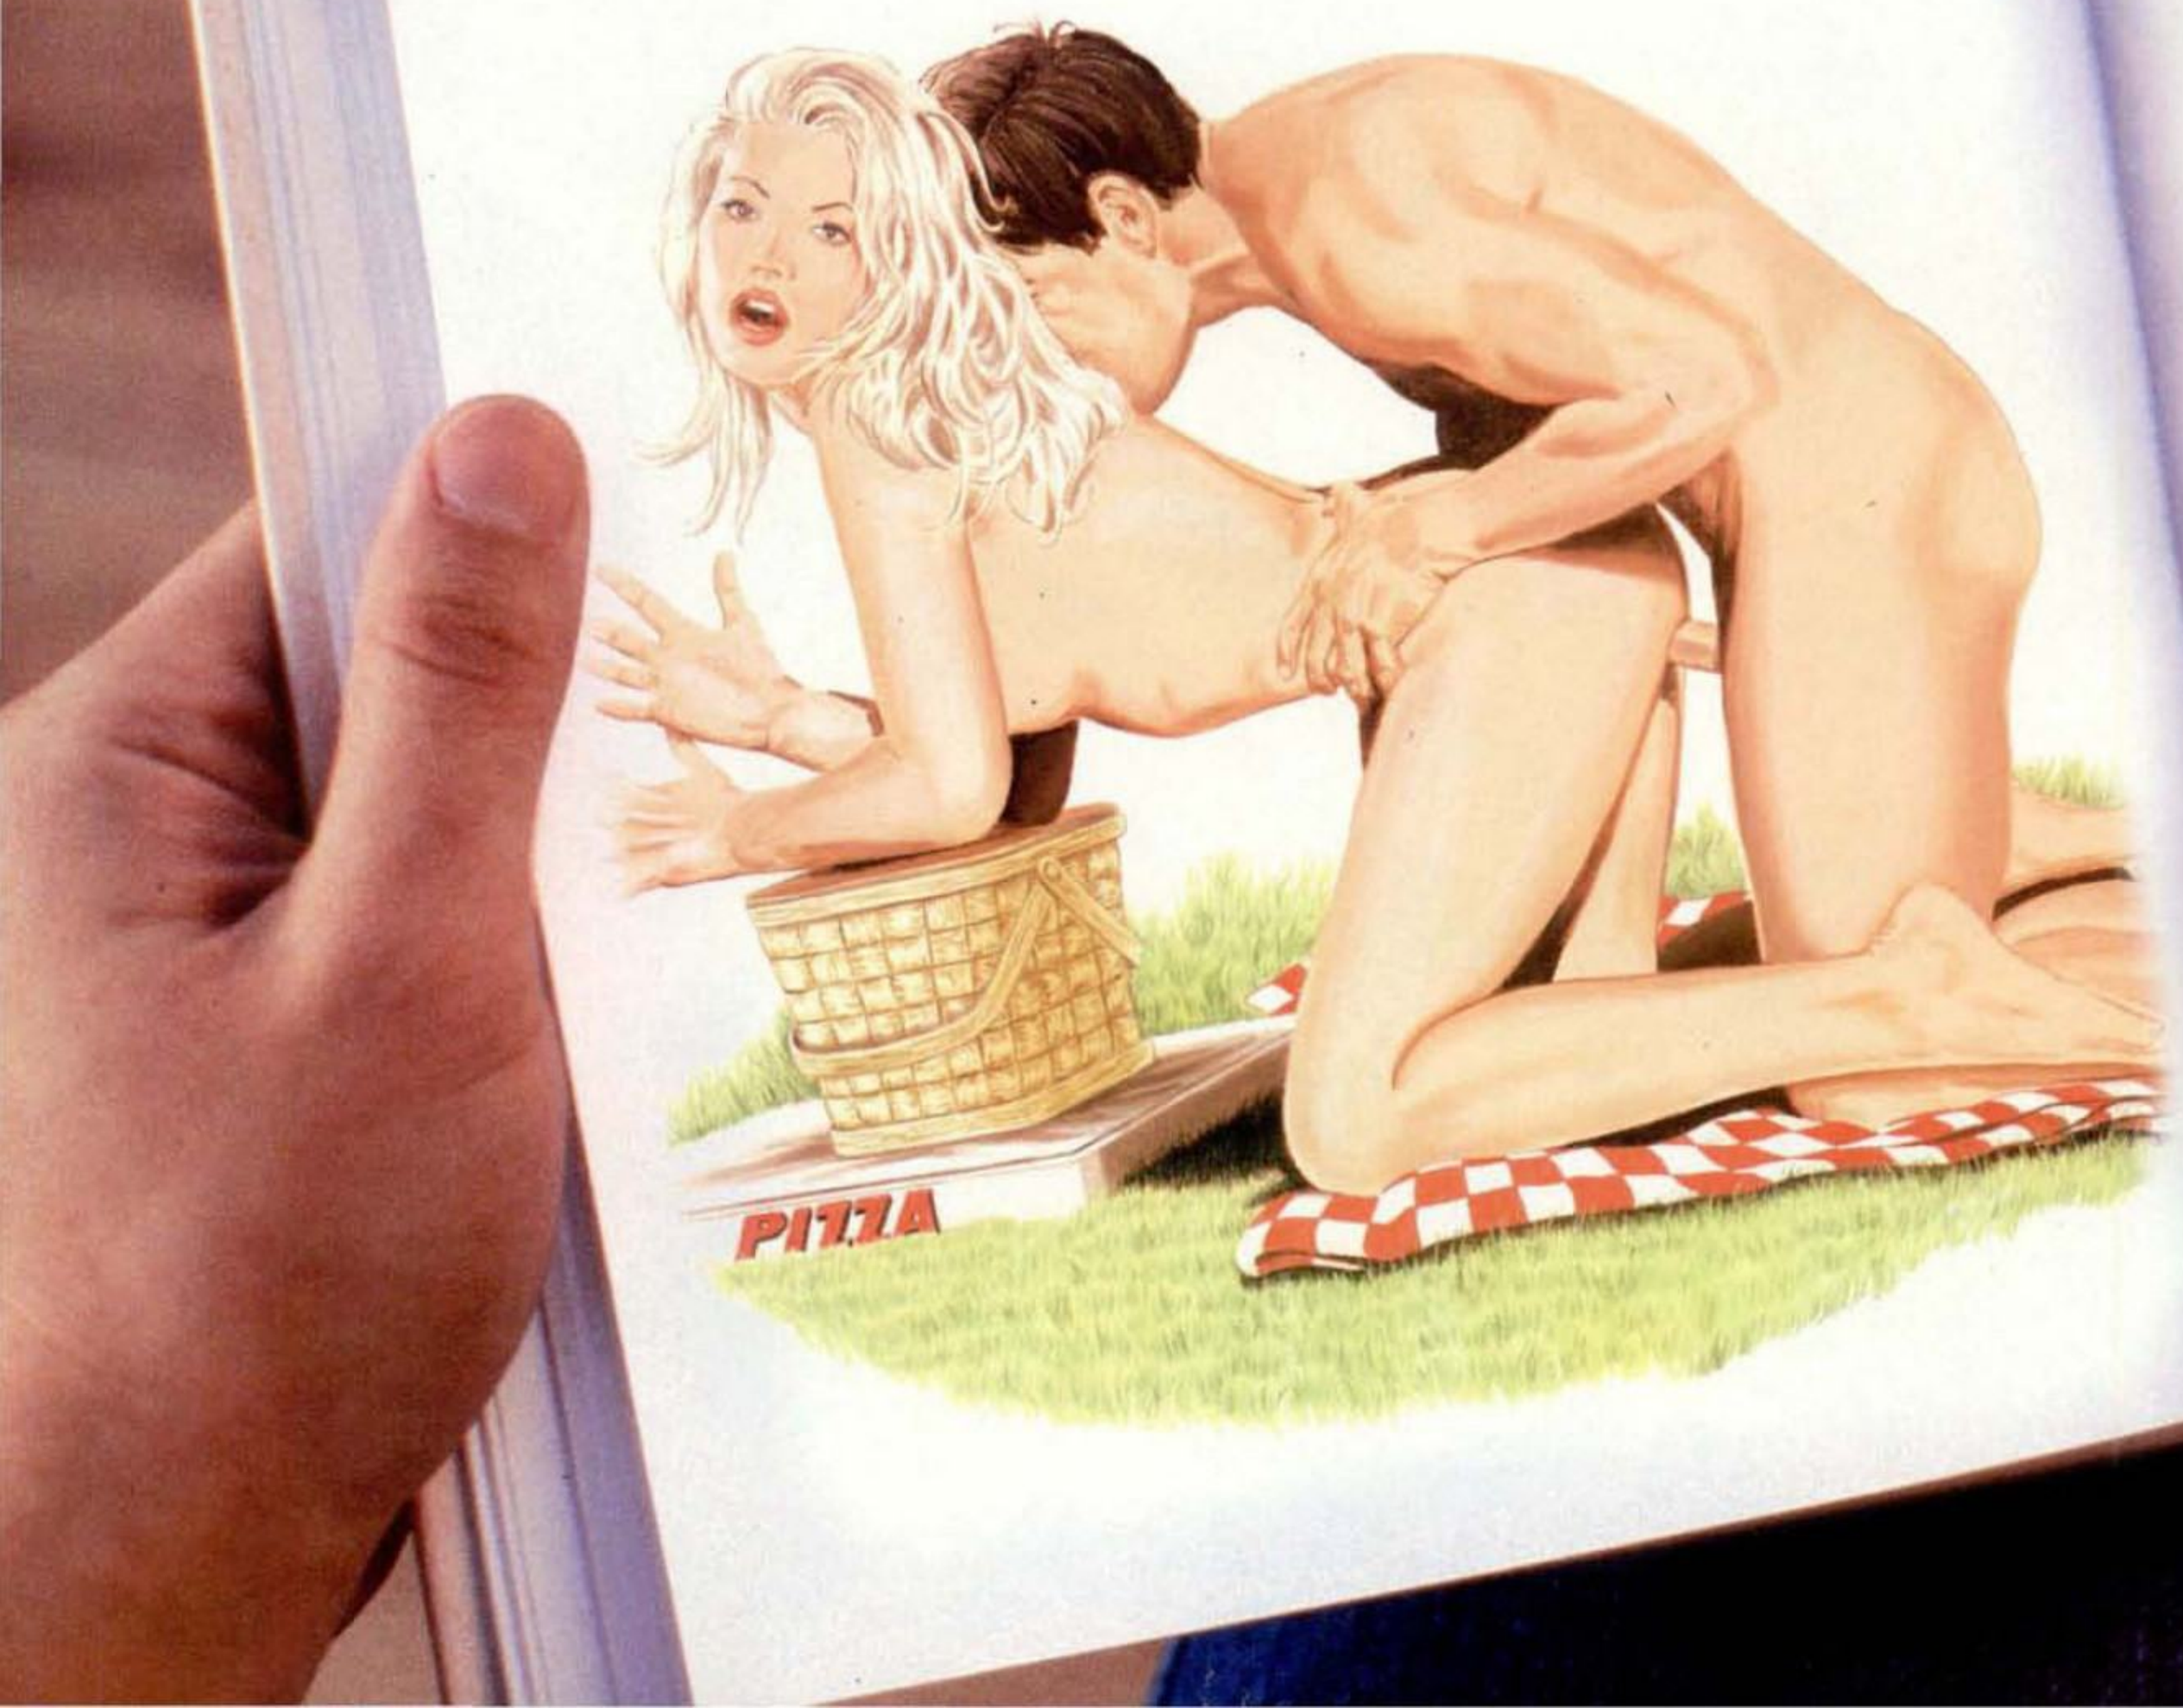
## PORN STUDIES ENTERS ACADEMIA

See Dick and Jane.



See Dick fuck Jane.

Fuck, Jane, fuck.

See Jane suck.

Suck, Jane, suck!

REPORT BY JAMES BOHLING

ILLUSTRATIONS BY KENT BASH • PHOTOGRAPHY BY LADI VON JANSKY

Dick meets Jane. Jane negotiates her fee. Dick sodomizes Jane, then blows his load all over her face. Cut, print, wrap. Is there a subtext to a blue movie? To most observers, porn is about fucking, sucking and the liberal use of the fast-forward button on the remote control. Academics, on the other hand, perched in the ivory towers of some of America's finest universities, have seized upon sleaze as a potent looking glass into a decadent culture. Video pornography is one of the greatest masturbatory aids ever devised, but should the cock opera be a subject dissected in college classrooms? HUSTLER goes back to school and bones up on the highbrow take on hard-core.

**When the stud in Stagliano's videotape peels a banana and uses the fruit to plow his fuckmate's puckered rectum, giggles and moans of revulsion reverberate throughout the cavernous lecture hall.**

On a cloudy spring day at the seaside campus of the University of California at Santa Barbara, 60 undergraduates file into Buchanan Hall for their morning class, Film Studies 150PG. On a wheeled cart sits a television set that stares blankly at the assembly of students. Constance Penley, a slender, middle-aged professor with a platinum-blond buzz cut, stands before a podium. Accompanying Penley are two men, one of them bearing a massive stack of X-rated videos.

Penley introduces today's guest speaker as "an important figure in the adult industry." The man in question is John Stagliano, better known as Buttman.

Stagliano, an Italianate bohunk with a perpetual five-o'clock shadow, recounts his rise from Chippendale's dancer to renowned anal auteur.

"There's money to be made from shock value," Stagliano says. He instructs his assistant to pop a video into the VCR.

Onscreen, a dark-skinned brunette reclines on a vinyl couch; strips of duct tape splay her butt cheeks, spreading her snatch and anus. A man wearing a blond wig cracks eggs over the slut's bush and smears the yolks on her cunt lips; the translucent goo dribbles through the girl's pubic hair. The man in the wig then pounds his pork into the porn chick's slit.

In the darkened rows of the amphitheater, some students gape at the TV screen in shock. Other pupils, those more likely to find themselves in the top 20th percentile of Penley's grading sheet at the end of the term, are busily scribbling notes in their journals.

When the stud in Stagliano's videotape peels a banana and uses the fruit to plow his fuckmate's puckered rectum, giggles and moans of revulsion reverberate throughout the cavernous lecture hall. Penley sits stolidly in the front row. The chocolate-covered banana finds its way into the girl's mouth; she enthusiastically takes a bite. Gross-out porn is just another syllabus entry in Film Studies 150PG, a course that is subtitled: "Special Topics in Film Genre: Pornographic Film."

* * *

Pornography-studies courses are being offered at such respected public universities as U.C. Berkeley, U.C. Santa Barbara and the University of Arizona, as well as at august private institutions such as N.Y.U., Northwestern and Columbia. Along with classes on new media and molecular biology, today's college students are learning to deconstruct midget porn and anal marathons.

Sitting stiffly in class, watching a peroxide slut swallow a beef baton may be a more stimulating classroom experience than parsing *The Iliad*, but the obvious question remains: Why study smut? Is there any amount of intellectual rationalization that can justify the assertion that porn studies is a valid branch of academia?

"There's only so much about pornography you can teach," posits Henry, a student from England enrolled in Penley's class. "I definitely think there is an element of sensationalism, of shock.

"I'm not sure she's doing it for purely academic reasons," Henry says of Penley.

"I think that some of them [current porn-studies professors] have gravitated toward the subject because they feel like they don't really have to do the scholarship," offers Ohio University professor Joseph Slade, who has been publishing academic work on pornographic film for decades. "They don't really have to check out the information and confirm things and follow up and do all the other things that real scholars are supposed to do."

"Why shouldn't we study this major instance of culture?" volleys U.C. Santa Barbara's Penley. "We learn about ourselves; we learn about our society. After I started studying this, I couldn't imagine why we hadn't done it before now."

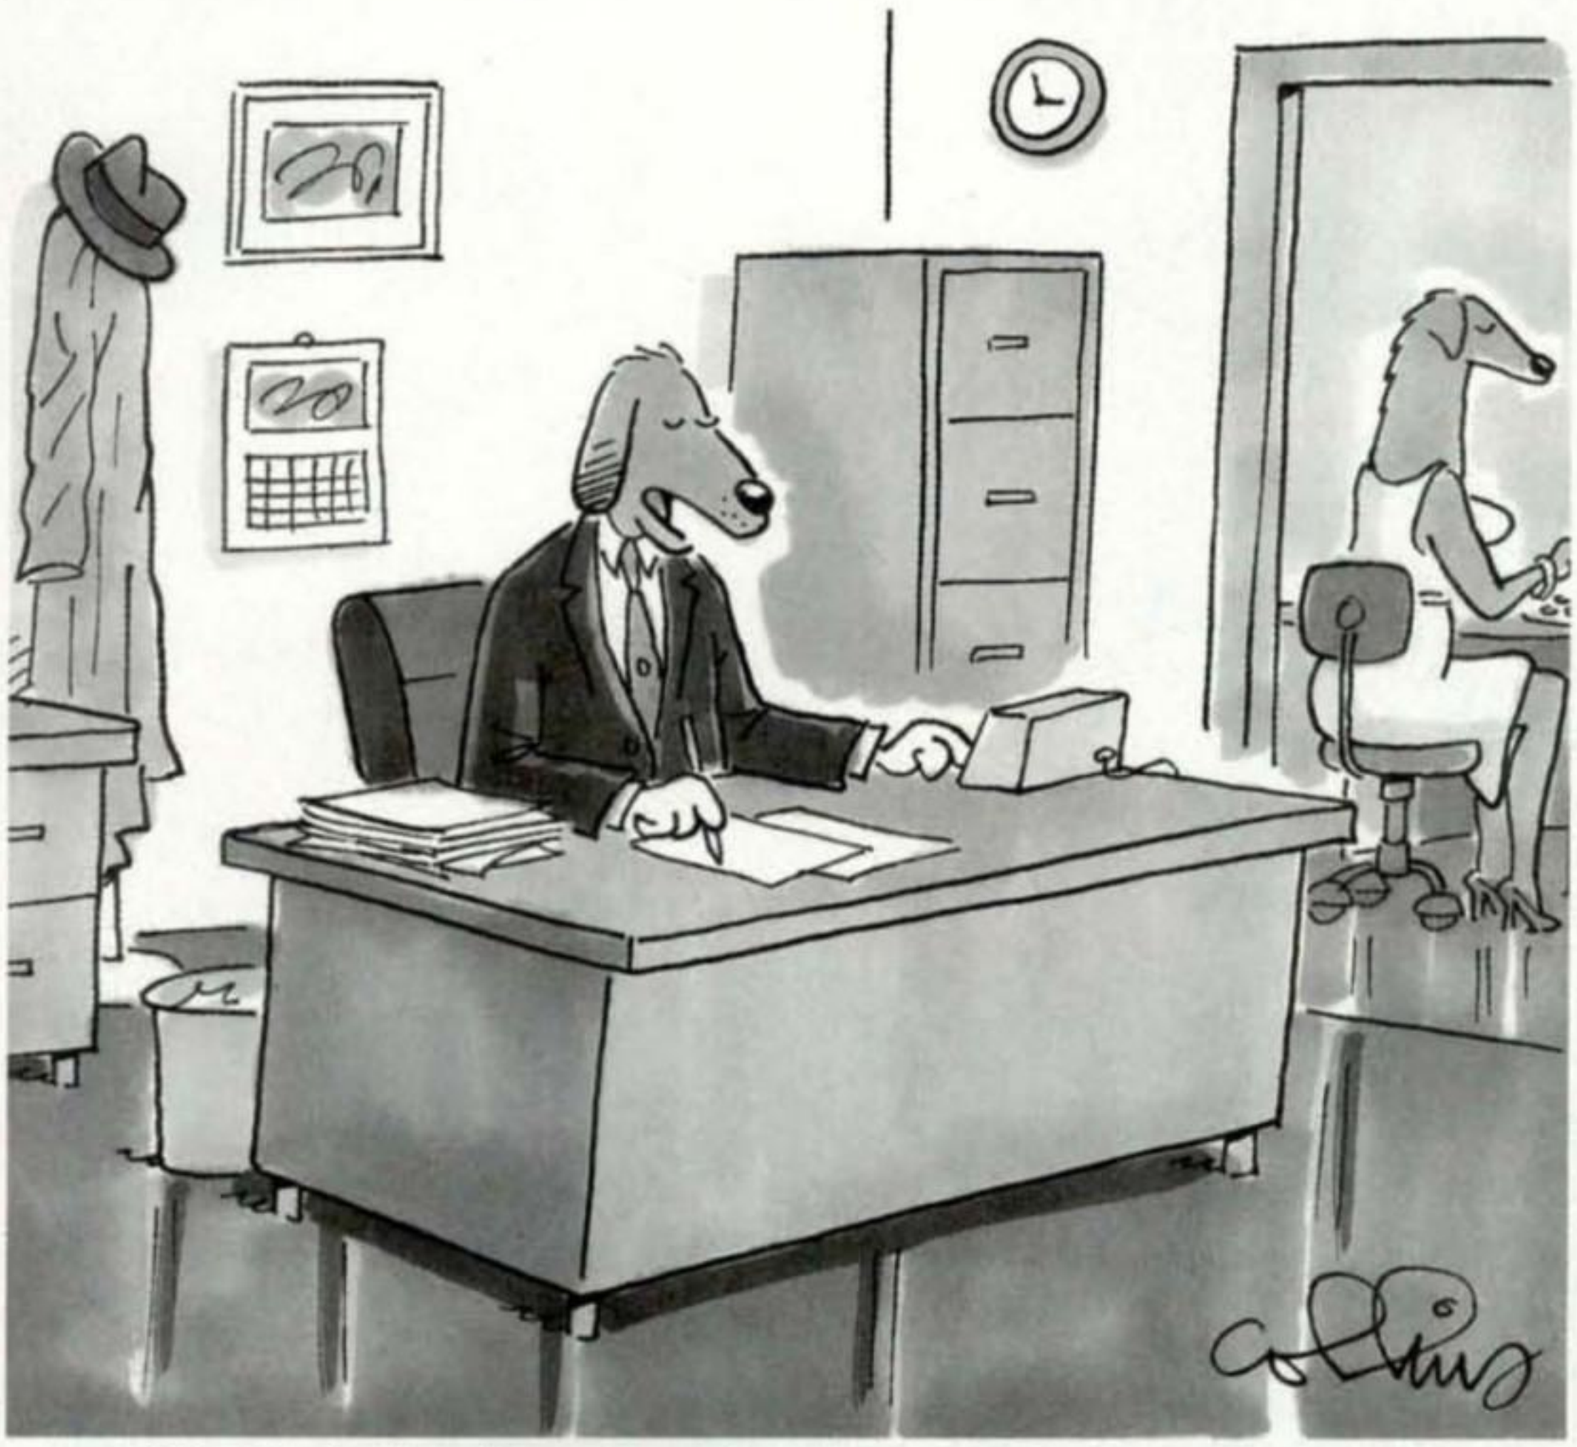
Penley's course purports to treat pornography as a film genre no different from the western, the disaster flick or gangster pictures. Students analyze the narrative, plot, cinematography, lighting and camera angles of films such as *Deep Throat* and *Deep Inside Dirty Debutantes #2*.

Even so, gender politics inevitably pervades smut-study courses. Part of Penley's motivation for teaching pornography is to combat the antiporn stance that is traditionally associated with feminism.

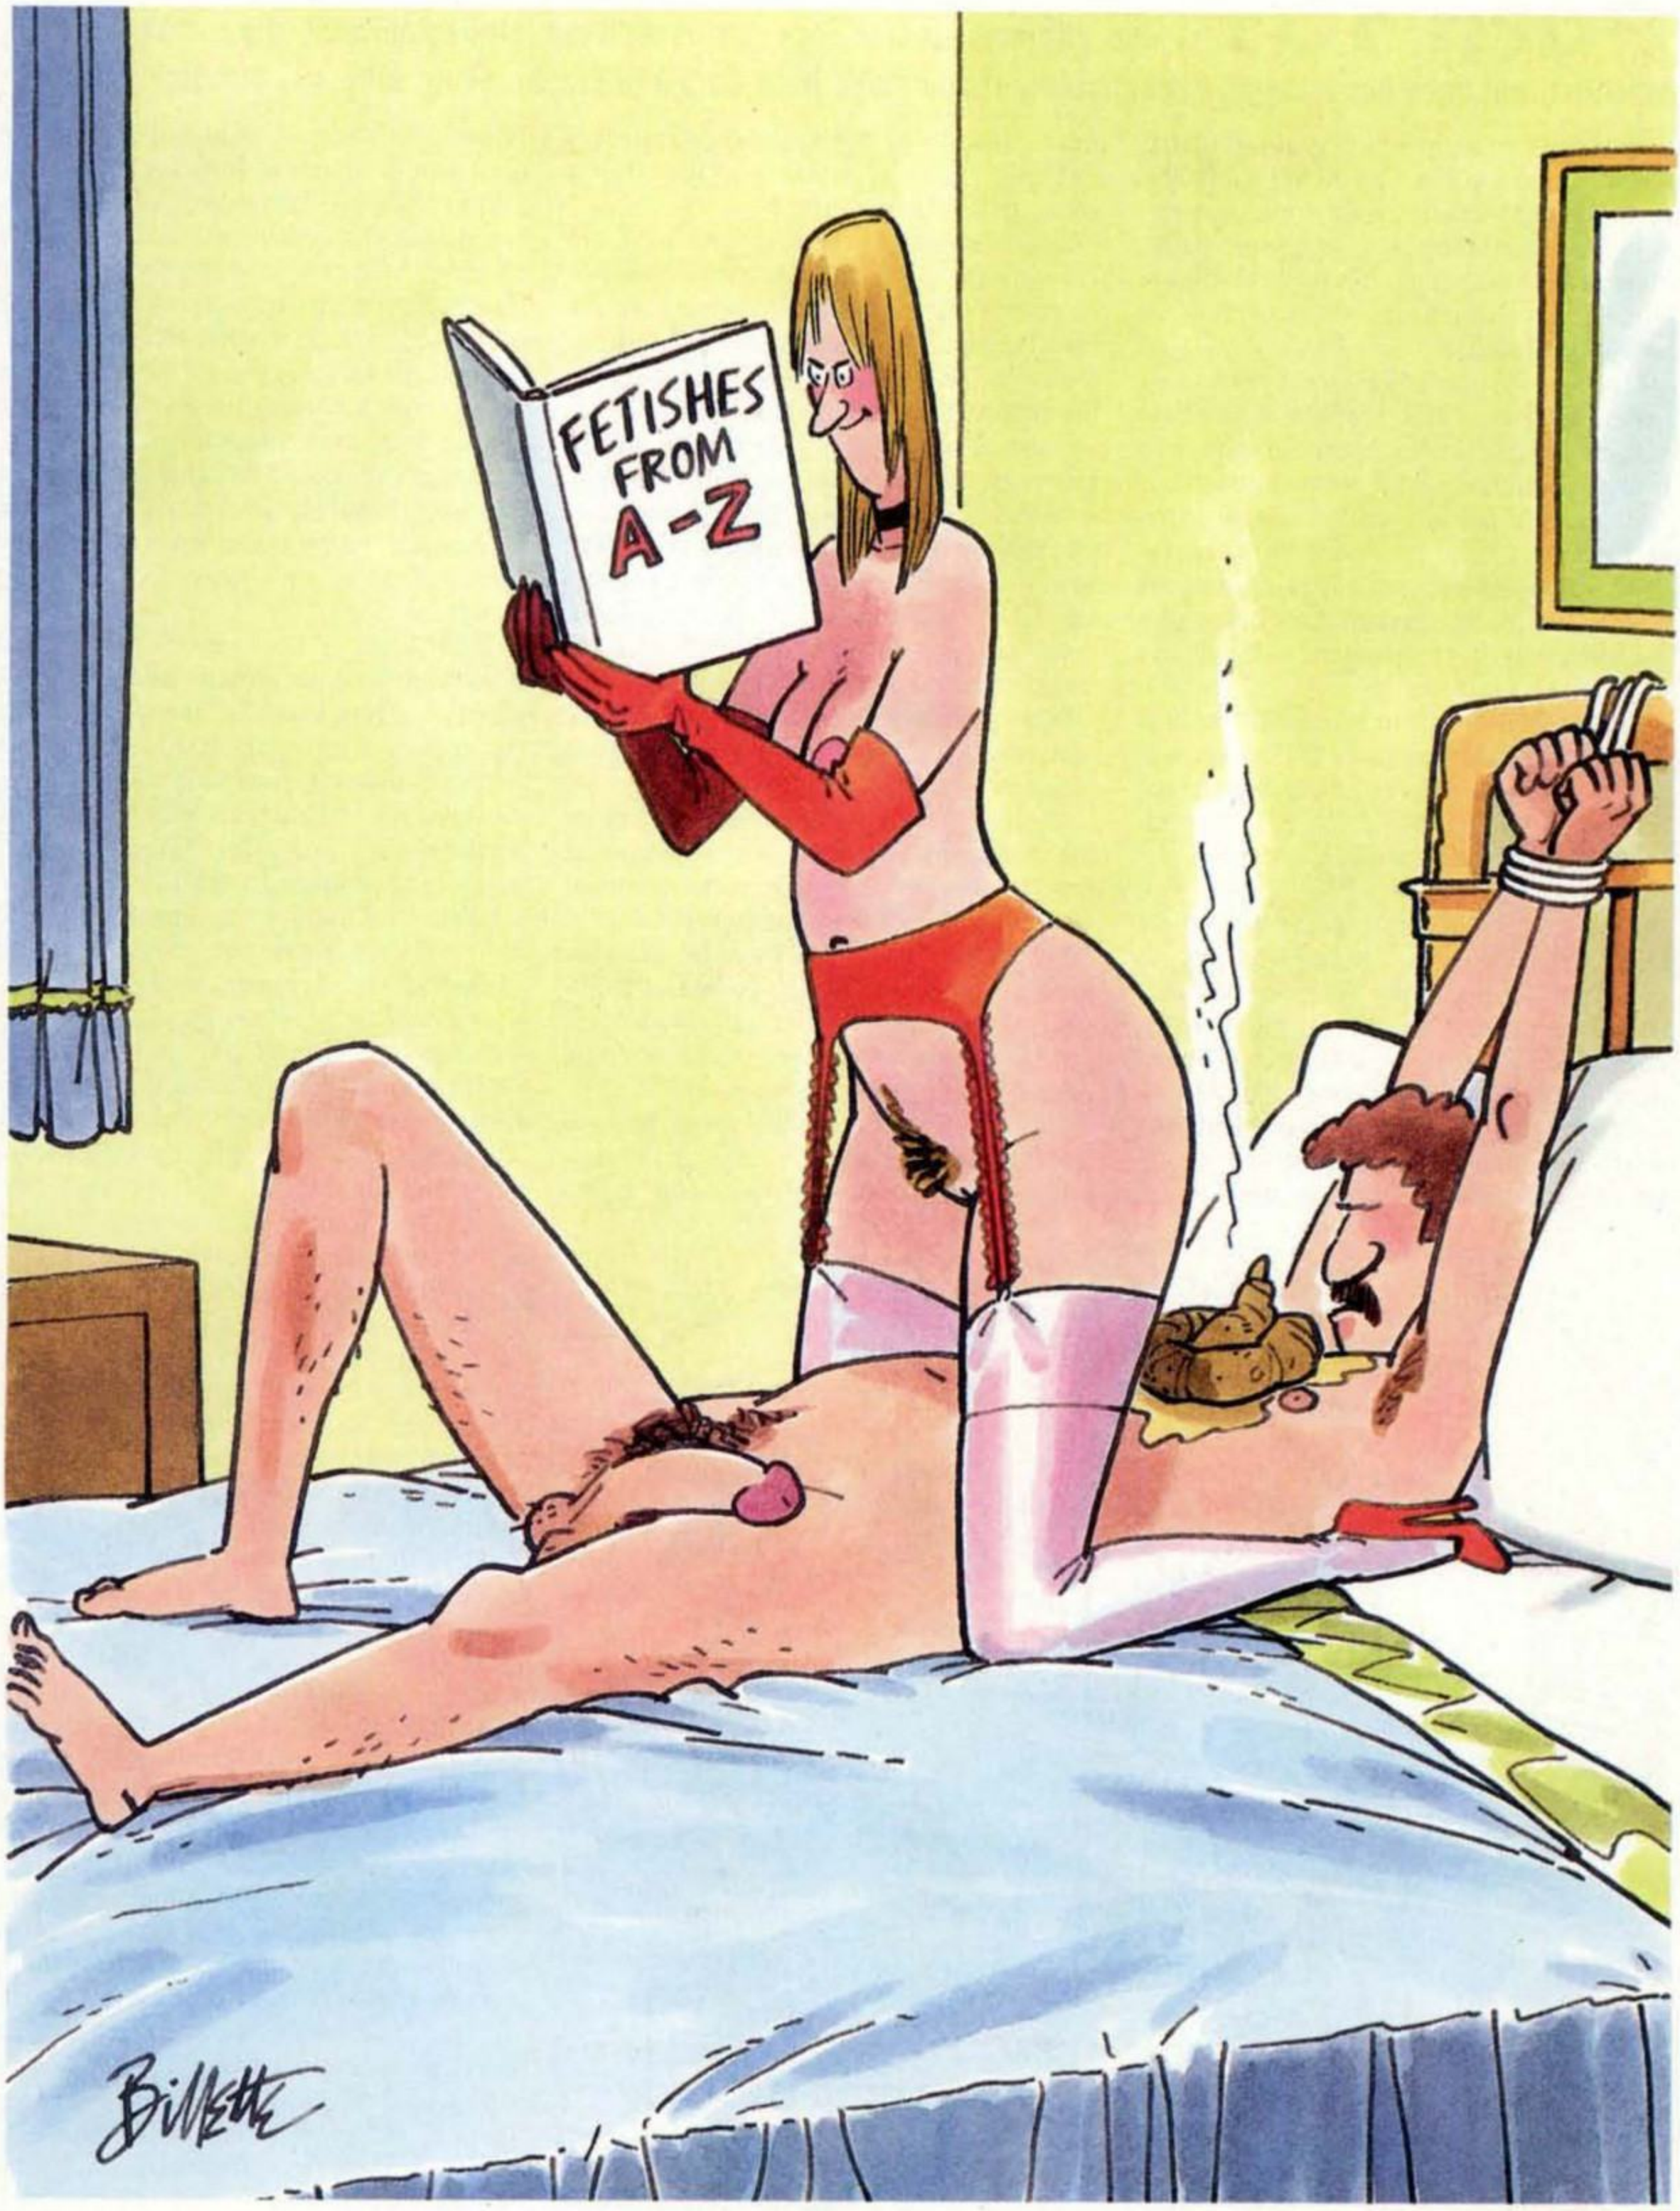
"People came to think that feminists were just the sex police," Penley says, shaking her head. "I thought that was a terrible thing, that most people in this country think that's what feminists are like. I also thought it was a terrible thing that the debate took place in an absolute vacuum of knowledge of what pornographic film was, and has been."

Penley says she is currently collaborating on an adult-film textbook, *Porn 101*, with pop sex-theorist Susie Bright and University of California at Berkeley professor Linda Williams. Williams is the woman who set the porn-studies machine in motion with her 1989 book, *Hard Core*.

In her tome, which examines a cultural product that amounts to a utilitarian jack-off tool, Williams frequently references French social theorists such as Michel Foucault. Although porn appears to be no more worthy of a book-length disserta-



*"Miss Shepherd, could you come in here for a moment so I can sniff your ass?"*



*"I'm beginning to regret ever buying you that book."*

# Porn 101

**Linda Williams studies cock operas with the intellectual zeal of a rocket scientist, but does her blinding hyperscrutiny really make *Hard Core* a groundbreaking scholarly classic?**

tion than a cum-encrusted wad of Kleenex, the topic is now being subjected to intellectual scrutiny on a growing number of college campuses. The same pedagogical thinking that devised Madonna studies has turned its sober, scholarly attention to sleaze.

Linda Williams's treatment of *Insatiable*, the 1980 Marilyn Chambers film, says far less about pornography than it does about the people who study smut:

"Dissolved utopias tend to banish patriarchal power from the realm of the narrative," Williams babbles, "leaving only its phallic organ, attached to the bodies of a great many anonymous men, as the object of Sandra's pleasure."

Linda Williams studies cock operas with the intellectual zeal of a rocket scientist, but does her blinding hyperscrutiny really make *Hard Core* a groundbreaking scholarly classic?

Porn-studies professors seem to expect that, by compelling their students to approach pornography with contemplative detachment, they will be able to overcome the fact that fuck flicks are traditionally used as masturbatory aids.

Shaun Griffiths, a 20-year-old film and religious studies major, admits he sometimes gets turned on during the screenings. "It kind of catches me off guard," Griffiths says sheepishly. "It's doing what it should be doing."

Peter Lehman, a film professor at the University of Arizona who teaches Sexuality in Media Narratives, believes that the voracious consumption of pornography in our culture is reason enough for the subject to be taught in school.

"One of the good arguments for studying porn in academia is quite simple," Lehman says. "We now have young people, the overwhelming majority of whom, at least in the demographics of a university like the University of Arizona, have been exposed to porn. It's part of their lives; so they should understand it."

What motivates a student to invest time and money in a porn-studies course instead of renting videos like everyone else?

"I guess the thing that interested me in the class was an opportunity to examine how an identity that seems so intimate and so basic and so individual is actually constructed in some way by outside forces," wheezes Deron Overpeck, a 29-year-old media-arts graduate student at the University of Arizona and a devoted proselyte to academic jargon.

"It's a way of learning about how to interpret what society's saying through pornography," says 20-year-old Larry Wawro. "It's sort of an invisible language until you're taught to look for it."

This invisible language, porn scholars argue, speaks volumes about the wider society. Students and professors busy themselves with uncovering reflections of the culture in pornographic "texts." What, for example, does a scene where a man crams a banana up a whore's poop chute reveal about our culture?

"Somebody could be attracted to it in fantasy," suggests Penley. "They might be grossed out by it and want to learn the limits of their own capacity for being grossed out."

"That kind of fascination, part of that does relate to what attracts people to freak shows," offers Peter Lehman, explaining the appeal of not only food-fucking, but fat porn, piss videos and granny-banging productions. "That can partly work to reaffirm their normalcy: 'Well, I'm normal—look at those freaks!' "

Laura Kipnis, a professor at Northwestern University and the author of *Bound and Gagged: Pornography and the Politics of Fantasy in America*, believes that pornography "is both a legitimate form of culture and a fictional, fantastical, even allegorical realm.

"A culture's pornography becomes a very precise map of that culture's borders," says Kipnis. "Pornography begins at the edge of the culture's decorum."

The problem with deconstructing smut is, pornography is so varied, and can be so broadly or narrowly defined, that the subject matter can support almost any theory that seeks to explain it. Antiporn activists are able to back up their contentions that porn represents violence against women, just as sex-positive feminists can find evidence to support the notion that a gang-bang is an example of personal liberation and female power. Both factions have a way of finding what they're looking for.

Besides which, the spectrum of smut examined in porn-studies classes is necessarily limited in scope. Pornography includes some dark corners, such as kiddie porn and crush videos. Part of packaging the controversial subject in such a way that a proposed college course can pass faculty committees and be offered for credit is to control which films appear on the syllabus. Such considerations make it unlikely that Max Hardcore, who screws his "fuck pigs" with his fists and spits in the faces of his "cock sockets," will appear on the syllabus of many porn-studies classes.

Penley has heard of Max Hardcore and is

After spending hours on the court, aspiring pro Becky unwinds in the locker room.

"I spend all day juggling fuzzy balls. You'd think I'd be sick of them, but after practice, there's nothing I like better than bouncing a pair of hairy orbs on my chin."

Becky peeps into the men's shower, looking for a prospective partner to strike up a heated match with.

"A long volley makes me really wet," says the tennis tramp. "I hike up my skirt, bend over and press my split against the net. A good opponent will read my moves correctly and make the proper serve—a hard, driving hit right down the center."

aware of porn's current trend toward degradation. However, she does not require her students to watch these films in her class, nor has she seen them herself, but that doesn't deter her from offering her scholarly opinion on such works.

"I'm not sure [female-degrading porn is] a reflection of our culture as much as it might be internal politics in the porn industry," Penley says. "I'm wondering if it's not a kind of resentment from within the industry—the women are better paid than the men, how much press the women get."

Penley's theory echoes the position held by Susan Faludi, a writer who suggests that men have had their balls cut off by the information age and respond via pornography, an argument that has gained popularity as a perch from which to criticize porn.

* * *

This philosophical quagmire extends to porn-studies classes. Given the lockstep adherence to politically correct thought control on American campuses, a man standing up for sleaze in class can expect to be ostracized as redneck or, worse, a Republican. At the same time, it's not uncommon for a female student to defend pornography against a male student's assault in these undergraduate classrooms. Accordingly, the majority of the professors who teach porn-studies classes are female.

Following an in-class screening of *Insatiable II*, Christine Dehne and Larry Wawro tussle over the import of the pool-table scene, in which Harry Reems slaps Marilyn Chambers in the face repeatedly with his engorged member.

"It was just misogyny," Wawro huffs. "It was just him hate-fucking her."

"It was not," Dehne retorts. "He said, 'If you don't do this again, I won't fuck you again.' And she wanted him to fuck her again."

"Right," Wawro concedes. "But it was a lot more misogyny than just the pleasure-pain principle. There's a lot more woman-hating and putting her in her place than S&M."

"I disagree," says Dehne, tapping the table furiously as she stubbornly pushes her point. "He was saying, 'I know you want me to fuck you, and this is what you have to do to get that.' And she was willingly participating."

Debates over misogyny and violence against women may inflame classroom discussions, but nothing challenges collegians more than gay porn. When the blue screen turns pink, Penley's male students have been known to walk out of the room.

"The women start to taunt them," says Penley. "They say, 'Oh, what's the matter? Afraid you're going to get turned on?' You imagine this class is going to be more difficult for women than men, and they get furious that these guys feel entitled to get up and walk out."

"Watching two guys suck each other's cocks isn't my idea of stimulation, intellectual or otherwise," shudders Tommy, a student in Peter Lehman's class.

Lehman understands that the subject matter of his course will be challenging to some students, and he ensures that they are apprised of what they are getting themselves into from the outset.

"They should all expect to see something that will actually disturb them, put them off, be antierotic to them," Lehman says. "What they can learn from that is more important than saying, 'This isn't turning me on; therefore, I'm going to get up and leave.' In other words, they're not *allowed* to leave."

Parents of students in Lehman's and Penley's classes don't seem to be distressed by the fact that their sons and daughters are writing papers analyzing cunt-licking, gang-bangs and golden showers. This is true, at least, for the parents who are aware that their children are taking these courses.

"I lie to my parents," admits Wawro. "I kind of glossed over the whole pornography subject and just talked about 'the representation of sex in different media forms'—lengthy words to try and get around the subject."

"My mom, I think, just thinks it's bizarre, and she'll just not address the whole thing if I bring it up," says 20-year-old student of film Brica Wilcox.

Bethany Berg, a 23-year-old student, remembers talking to her father about her final paper subject: midget porn. "He was kind of put off," Berg says. "I don't know how much of his reaction is from shock, or if it was just because I was telling him things like that on Easter. I think I kind of messed with his head."

One might expect readings, discussions and screenings of X-rated material to stir up untold controversy, particularly at publicly funded universities, but professors Lehman and Penley both claim that, outside of a few mild and short-lived objections from the community, they have encountered little resistance to offering their courses, with no flack at all coming from within their respective universities.

"Our culture makes much too much about the allegedly intensely upsetting and

"My best fuck was in a tiny Manhattan flat, right off Times Square," Joey reminisces, stretching her lithe body across the couch.

"My roommate's date, a Con-Ed employee, was late. Meg dragged me into the bedroom and licked my love button in anticipation of his arrival. Even with the lights out, I could see perfectly. Between my legs, Meg's huge breasts were lit up by a million bulbs shining in from outside. Meg's expert tongue illuminated my black hole with an incandescent orgasm."

Joey's eyes flicker with high-wattage intensity. Her neon-lit crevice shimmers as she flips her fleshy switch. "Ernie finally showed," the blonde wistfully recalls. "After hours of tongue-lashing, we were totally burnt, but he jump-started our muffs with his electrician's tool."

# HUSTLER HUMOR

After hearing a couple's complaints about each other, a sexologist suggested the troubled pair vary their fucking position. "Try the wheelbarrow," the counselor advised. "Lift her legs, penetrate, and off you go."

At home, the husband was all for attempting this new variation, but his wife hesitated.

"I'll try it," the woman agreed, "but if it hurts, you have to stop right away. And you need to promise me we won't go past my mother's house."

Question: Why have no female astronauts been sent to the moon?

Answer: It doesn't need cleaning yet.

Two married ladies, Claire and Sue, met for lunch.

Claire bragged, "My sex life has improved a hundred percent since my husband and I got into S&M."

Sue gasped. "I'd never have figured you two for that."

"Oh, sure," said Claire. "He snores; I masturbate."

Jeff was charged with several robberies. His lawyer told the crusty old judge, "Your Honor, my client can prove he paid for the high-speed modem."

"High-speed modem? What's that?" asked the judge.

"It connects computers across vast distances," the shyster explained. "At the time of the alleged robbery, my client was engaged in cybersex."

"Cybersex?" the befuddled old man on the bench countered. "You mean sex through a modem?"

"Yes," the lawyer continued. "The modem connects to other computer users. Furthermore, the 12-speed CD-ROM the police found belongs to a friend of the accused."

"Twelve-speed CD-ROM?" queried the puzzled judge.

"Yes, Your Honor. It enables millions of bits of information to be read off a small disk. Plus, Your Honor, my client has a dated receipt for the Super-Deluxe Inflatable Milk Maid, whatever that is."

"Milk Maid?" the judge said. "That's the one with the silicone breasts and real hair."

A priest, a pastor and a rabbi met outside a bar in their work clothes. The holy men had no money for drinks; so Father Mike hit upon a plan. The priest went into the bar by himself and ordered. When the father had finished, the barman asked him to pay up.

"My son," Father Mike said, "I already paid you for this drink."

"My apologies, Father," the bartender said. "It's been so busy in here, I must have forgotten."

The priest went out and gleefully explained the trick. Pastor Dan went in next. The Protestant ran the same scam, pretending he had already paid. Once again, the busy man at the bar apologized and let the pastor go.

Rabbi Shmuel went in for his drink. When the tab came, the Jew said, "Sonny, I paid you when I ordered."

"I'm terribly sorry, Rabbi," the man at the bar said. "I don't know what's wrong with me. You're the third man of the cloth to tell me that."

"That's all right," said the rabbi. "Just give me the change from my twenty, and I'll be on my way."

The HUSTLER Dictionary defines *sauerkraut* as: a German chick with a yeast infection.

Question: How do you fit 40 Haitians into a shoebox?

Answer: Tell them it floats.

Angie bet a bartender that she could sit, eyes closed with her back to the bar, and name the type and age of any beverage she was served by its taste and smell alone.

She turned away and let the barman set her up. Angie picked up the drink, sniffed and gulped it down. "White wine, Gallo of Sonoma, three years old," the girl announced.

Impressed, the bartender paid up on the wager and poured another drink, this time into a shot glass. Angie smelled the liquid, tossed it back and declared, "Cognac, Hennessy, ten years old."

Once again, the barkeep handed over his money. Then the bartender ran into the back to pour the contestant's third drink. When the barman returned, Angie picked up the new glass, gulped it and gagged. "This tastes like piss!"

"Yeah," said the barkeep. "Now guess how old I am."

# THE EXTRAORDINARY SEX LIVES OF ORDINARY PEOPLE

NARCISSO SMELT PEEKS OVER THE EDGE

Once upon a time, buying a five-speed vibrator or having sex outdoors was considered risqué, but today's open-minded couples have turned recreational sex into an extreme sport. From impromptu gang-bangs in adult-book stores in Boston to cum-eating parties in the Southern California desert, making whoopee has taken on truly epic proportions.

Early on a Friday evening, a 32-year-old woman who calls herself Bubbles rubs lotion on her legs and elbows and touches up her makeup in a bathroom mirror at the Panther Palace, a swing club located on a quiet residential street in Newport Beach, California. As she slips into a red-latex miniskirt, Bubbles mulls over her plans for the coming year.

"I really want to find a place where I can start throwing bigger parties," she says pensively. "I know that 80 men jacking off on my face in a night sounds like a lot, but I'd like to get to the point where 200 men are coming on my face at my parties."

# Fucking Freaks

**While she's bathed in the ejaculate of as many as 50 men, her husband stands just a few feet away, his camcorder memorializing the action for later use on the couple's Web site.**

Bubbles is the embodiment of every man's fantasy: a blond, blue-eyed woman with nice, tanned, natural tits who is also an utter semen slave. On alternate Fridays, Bubbles hosts "face-fuck orgies" that are attended by all manner of men: young and old, white, black, Asian and Latino.

At eight o'clock sharp, the Panther Palace opens its doors, and what was once an empty house is promptly crowded with hard up hard-ons of every shape and size.

Mark, from Costa Mesa, says he was nervous the first time he attended a cum party. "But Bubbles is not about games," he says. "It's weird with all the guys standing around, but, after a while, you really don't notice. I just focus on what's going on with Bubbles, and it's like the rest of the guys aren't even there."

Tre, a young, large black man, says he is a regular at gang-bangs, including those hosted by porn stars Houston, Jasmin St. Claire and Spantaneeus Xtasty.

"Bubbles is phenomenal," Tre says. "There's another swing club where a woman takes on, like, five or six guys, but what would Bubbles do with that? I think 50 is her minimum."

While waiting for the crowd to swell, Bubbles gives lap dances in the wood-paneled living room of the Panther Palace. Men work their way around a vast buffet table spread with casseroles, steaming Crock-Pots loaded with chicken, a large bowl of ambrosia salad, a basket full of rolls, huge bags of potato chips, pumpkin pies, and a foreboding vat of mayonnaise.

Bubbles, whose nickname stems from her penchant for blowing bubbles with sperm, spots a stranger in the crowd and introduces herself.

"I'm Bubbles. And you are? Steve. You came all the way from Canada? Well, I'm glad you're here. I'm sure you'll have a good time."

A man wearing jeans and a button-up shirt tucked in with a braided leather belt approaches Bubbles and kisses her on her soon-to-be-cum-coated lips.

"Ted," she says with a smile. "I missed you last week."

"You look nice," the fresh-faced man says. "I like your hair."

By nine o'clock, Bubbles has retired to a long, padded platform in a back room. About 30 men, naked except for white towels wrapped around their waists, are corralled behind a wooden fence. On the bed, half a dozen men stand shoulder to shoulder; Bubbles enthusiastically coaxes ball batter from their schlongs with her mouth and hands.

"I know just when to slip in: after the rush," says James, a bald, 50-year-old psychiatrist. "I like her fresh, after she's taken a break. I fuck her all the time. She only fucks with a condom; but I have to shoot on her face, of course.

"It would take a team of psychiatrists to figure out why Bubbles is the way she is," James adds. "But I wonder more why other girls aren't like her. Bubbles should start a convent, like an oral finishing school."

From impromptu, four-hour gang-bangs in decaying X-rated theaters to 20-man circle-sucks in Washington, D.C., to cum parties on the outskirts of the Mojave Desert in Southern California, seemingly average Americans are involved in sexual fetes that make standard porn fare pale by comparison. While Christian moralists point accusing fingers at the porn industry, the proclivities of more than a few John and Jane Q. Publics put the professional smut practitioners to shame.

A New England couple, for instance, frequently entertain themselves by visiting aging adult cinemas and bookstores, where the wife literally offers herself to any patron wishing to use her, no holes barred, no condoms required. While she's bathed in the ejaculate of sometimes as many as 50 men, her loving husband, Joe, stands just a few feet away, his camcorder dutifully memorializing the action for later use on the couple's Web site, www.kelly38d.com.

"We're always open to new ideas," Joe notes. "It's kind of exciting to wonder what's next."

Meanwhile, in uptown Manhattan, a woman called Ginatalia secludes herself with a small group of men in a hotel room. A hulking specimen with sagging, natural udders, Ginatalia lubes her snatch for repeated intrusions by more products than the Fuller Brush man offers: bottles, beer cans, massive dildos, corn cobs, fists and feet. Men are then encouraged to flood Ginatalia's hole with their spuzz so the footage can be used in a "cream pie" video.

Not too far down the Eastern Seaboard, in the nation's capital, a couple well-known in regional swingers circles is putting together another circle-suck party, where a middle-aged housewife named Lynn Carroll will hoover a dozen or more strangers in a motel room. Lynn's husband captures the activities on video, and they will later be sold on their own Web site, www.lynncarroll.com.

In a small gulf town in Texas, a professional woman in her mid-40s, known as Linda Might on Internet newsgroups, is busy with her husband putting the finishing touches on their new Web site,

When chambermaid trainees Regina and Francesca discover the rooftop swimming pool, duty takes a backseat to leisure.

"Let's play hooky from work," Francesca whispers.

The naughty nymphs make a dash for the stairway, climb to the roof, and check to see if the coast is clear.

"No lifeguard on duty," Regina observes, sliding out of her clothes. Francesca's fingers wriggle into Regina's satin folds.

"Too bad," Francesca shudders. "A hot tongue in my snatch is great, but...."

"It's no replacement for a glistening prick," Regina finishes between licks.

Francesca bites her knuckle, quivering with delight.

Regina dives into the cool, blue water. "Fuck smoke breaks. I'll take pussy breaks any day."

www.lindamight.com. This site does not feature pictures and video streaming of gang-bangs, circle-sucks or footings. Instead, it's dedicated to Linda's mammoth, three-inch clitoris, which, during the past year, has become the stuff of legend in Internet chat rooms.

Sometimes appearing more like an alien's tendril than human genitalia, Linda's monstrous clit is pictured tied, clamped, vacuumed, measured and whipped—just for starters. The man and wife also go on flashing runs to display Linda's giant love button in places such as rest stops and public beaches.

"This is really a love story of two people who met long distance, over the Internet, and started sending each other pics," Linda says. "They went from G-rated to R-rated to X-rated. We met, got married and launched a Web site."

In St. Louis, a plain Jane called Clover posts repeated requests to a variety of Internet newsgroups, soliciting black men to impregnate her during a gang-bang.

Clover's posts state that she wants to get knocked up without being sure who fathered the child. Billing herself as a "white whore," ready to be a sex slave and "black-baby factory" for ebony men, Clover posts unassuming photos of herself picking out pumpkins and playing on a swing set, alongside gritty shots of her being gang-fucked in seedy rooms.

"I have sustained myself on sperm and soda water for as long as four days at a stretch," Clover claims in an E-mail dispatch. "I enjoy hosting cum-feeding parties where my intake is simply sperm and water."

Perhaps the most gripping trip to the sexual precipice has been unfolding on an almost weekly basis on the dusty edges of the Mojave Desert in Southern California, where a middle-aged couple has been throwing huge "cum parties" for almost two years. The couple initially surfaced more than a year ago in regional swingers publications, where they placed ads seeking men willing to show up at a designated motel on short notice to jack off on the woman's face. There would be no actual intercourse; just stroke, splooge and split.

Since then, the couple's cum parties have evolved into a Romanesque spectacle, a traveling road show that has drawn, at times, more than 50 men eager to literally take a shot at this woman's face. The couple no longer needs to advertise in print. Word of mouth has supplied them with a large pool of potential sperm donors, many of whom call the couple's own "cum hotline" (a rambling answering machine message) to listen for weekly updates about past exploits and future party dates and locales.

"Hi, guys, this is Linda," one typical recording begins. "Last week, more than 40 men showed up at my party and jacked off on my face! I took almost 100 loads of cum. *Mmmmmm!* Thanks, guys. This weekend, we're going to have another party, and I hope to take even more cum than last week!"

No money is exchanged at these parties. Linda's husband videotapes some of what transpires, but not for commercial sale or a Web site. The parties are purely a personal kink—as Linda's husband gruffly illustrates in another recorded message: "Now listen up, boys! My bitch wants some cum! That's what she's into—she's a cum pig. A Sunday school-teaching cum pig. Now, if you want to jack off all over my pretty wife's face, you're more than welcome to, but you'd better have a lot of cum for her. If you don't have a lot of cum, my buddies and I are personally going to eject you from the party in a most unpleasant manner."

Far from anomalous, Linda's cum parties are evidently just one of several now unfolding across Southern California.

"I think it's power, really," theorizes Bubbles, by way of explaining her taste for sploogefests. "I love looking into their eyes as they watch another guy blow his load all over my face. They can't believe it; yet they know they're going to do it next. I am in complete control. I love it.

"The number one rule at my parties," Bubbles writes on her Web site, www.wildbubbles.com, "is that all men must come on my face!" Bubbles requests that men refrain from masturbating for several days prior to her weekly parties, as the thicker consistency of pent-up scum is more conducive to blowing bubbles.

Just who are these freaks who fearlessly push the sexual envelope? Lynn Carroll is a fortysomething mother of two who lives in suburban Maryland and describes her life as "very normal."

"I was a military kid, one of seven my parents had," Carroll says. "We went to church. Sex wasn't discussed much around the house, but it wasn't a big deal either."

Carroll recalls being regarded as a tease during high school, willing to pet but not put out. "I flirted a lot, but never went all the way. I was saving it."

# Fucking Freaks

**"I'd say she took on somewhere between 30 to 40 guys that time." The men, strangers all, came in her pussy, mouth and ass, Joe says. "I thought it was great."**

Dave, Lynn was fucking other men—all with her new husband's encouragement.

"I started fucking other men probably a month after we got married," Carroll says with a sigh of fond reminiscence, recalling her first sexual escapade. She came home from work to find Dave and three of his friends hanging around the house. The sexual tension was high, she remembers, as it became apparent that Dave wanted to cut his buddies in on a piece of his new bride.

"It was a little awkward at first; I wasn't sure what to do," Carroll says. "But I knew I wanted every one of them to come inside me. They did."

The quest to serve as a human cum bucket escalated from that day, Carroll says, fueling the couple's mutual desire to have more and more men shoot her full of semen. Once Dave's circle of friends was tapped out, Carroll began a ritual that lasted for a couple of years: picking up strangers at bars or clubs and fucking them—anywhere—then returning home so Dave could feel the sperm of another man inside his wife.

"I'd do it in a bar, an alley, back at their place. Half the time, we probably never even traded names," she says. "Then I'd go home, my pussy full of cum, and Dave would just jump right in like a little puppy, panting. We did that every week. I must have done more than 100 guys, easy."

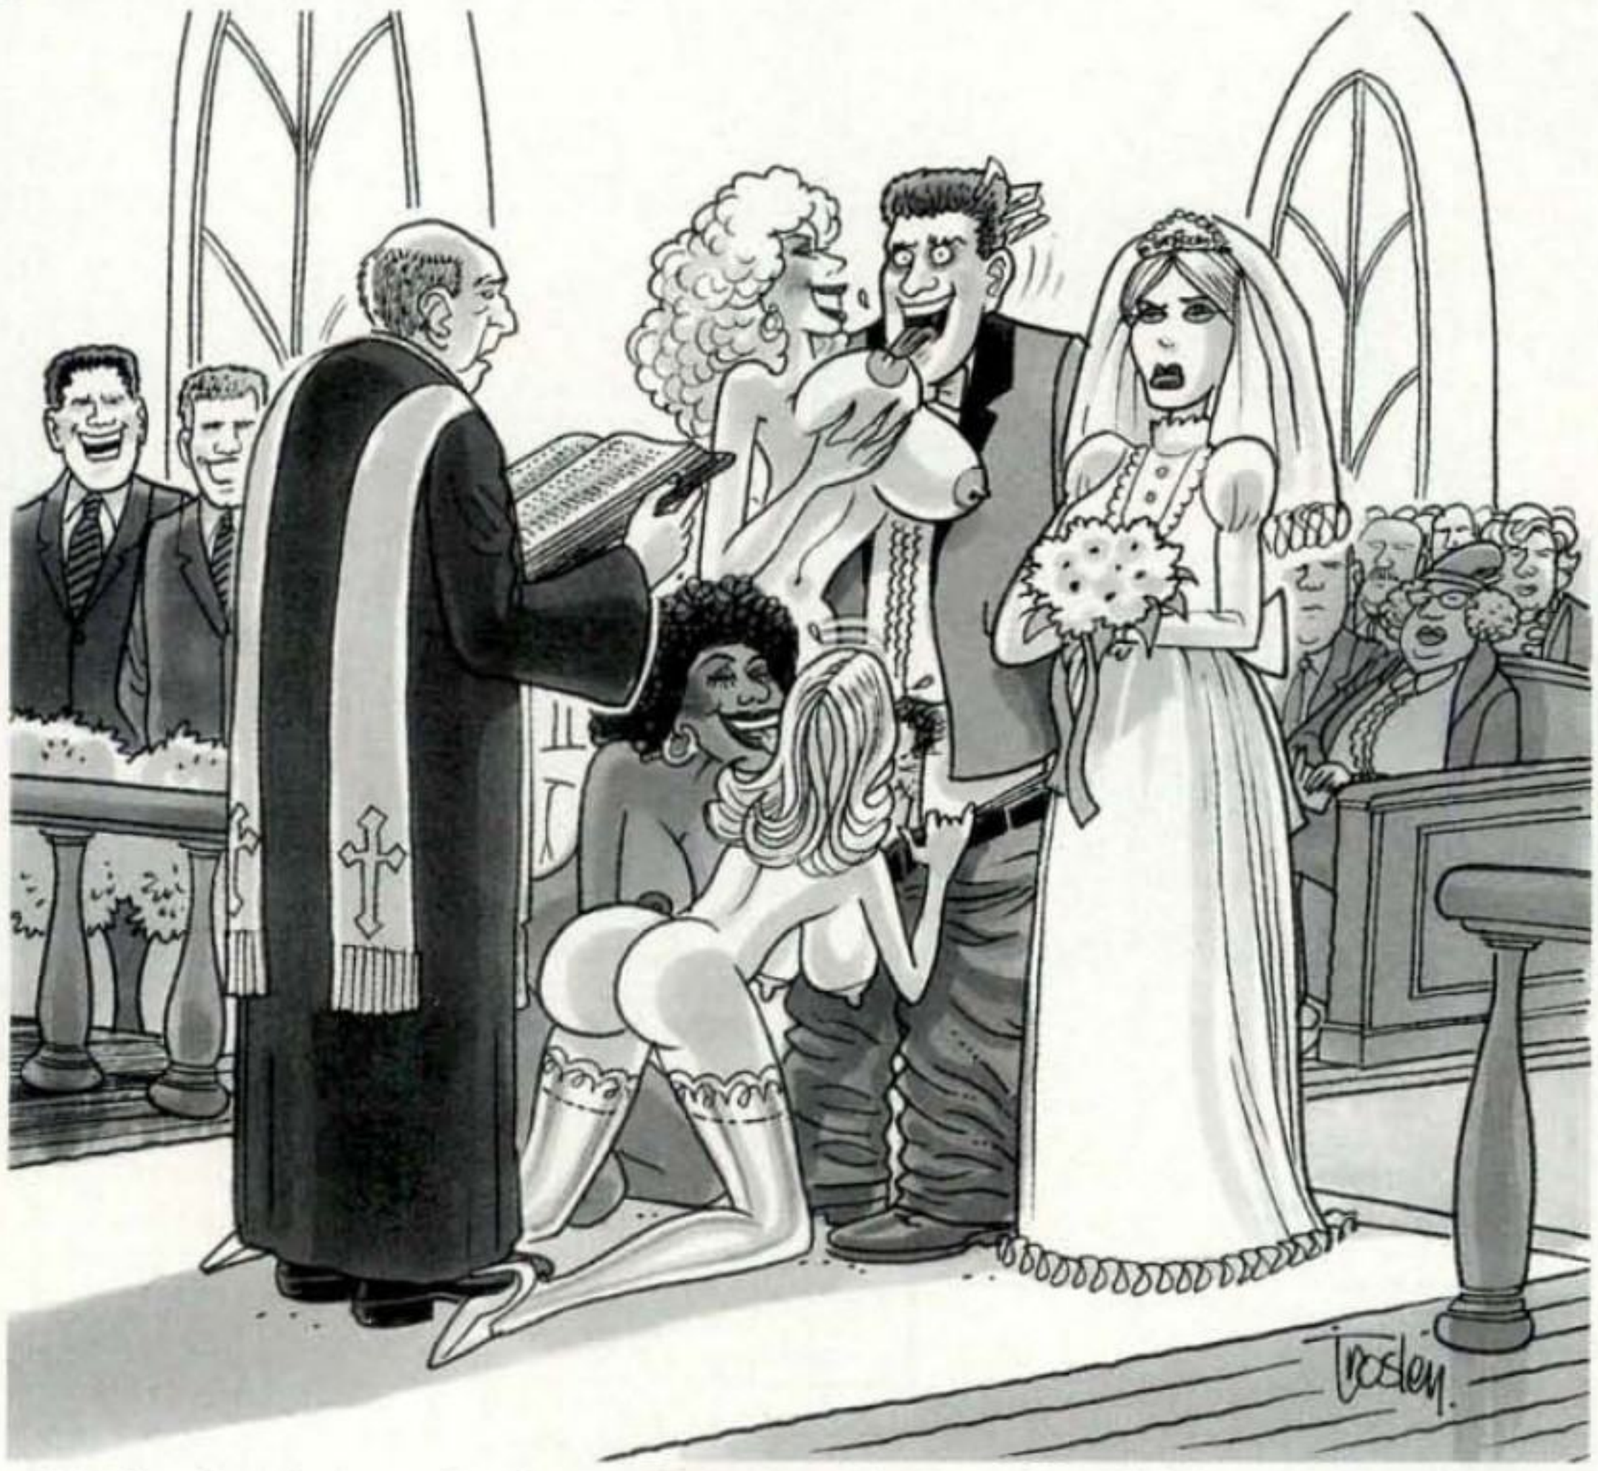
Kelly, a buxom blonde living in New England, can relate to Lynn Carroll's fetish for having other men pump her with their seed. And just like Dave, Kelly's husband, Joe, is clearly titillated when other men make use of his wife.

"Yeah, I think it's pretty hot watching her take on all these guys," Joe states flatly, his thick Yankee accent never betraying even a hint that their carnal pastime might be considered odd. "It was something she kept talking about, and it seemed like it might be fun."

Married for seven years and the parents of two children, Kelly and Joe first took a stab at their shared desire for communal schtupping a few years back while visiting one of the old adult-movie houses in Boston's infamous Combat Zone (which has since been bulldozed into oblivion, Giuliani-style).

"We were checking out this movie, and I kept telling her to show her tits," Joe recalls. "Next thing I know, she throws her shirt off and starts walking up and down the aisle, letting guys feel her up."

In short order, Kelly returned to her seat, but with a little company. "I'd say she took on somewhere between 30 to 40 guys that time," Joe estimates.



*"Finally, after she nagged and nagged him, he said, 'Hey, okay, I'll help plan the wedding!' "*

The men, strangers all, came in her pussy, mouth and ass, Joe says. "I thought it was great." Great for fulfillment of their far-out kink, and great content for their Web site, but undeniably dangerous as well.

A conservative estimate of the numbers some of these women encounter shows just how willing they are to roll the proverbial dice with their very lives. Women such as Linda, Bubbles, Kelly and Lynn Carroll accept bodily fluids from so many men, the risk factor becomes staggering.

If Lynn Carroll allows 25 different dongs to ejaculate inside her every week, she will have taken approximately 1,300 loads of cum from very different men by year's end. A low-grade porn chick would have great difficulty in matching such numbers, not to mention such high risk, in part because of the adult-video industry's sensitivity to the risks of HIV transmission.

No current AIDS test is required to jack off into Bubbles's mouth or blow a sperm load inside of Lynn Carroll. How does a person eat the cum of 1,300 or more men a year and not contract a disease?

Lynn Carroll says "catching something" has crossed her mind, but that she limits her level of protection to the Pill—in short, no protection from disease at all.

Kelly, who casually estimates she's had sexual encounters with more than 300 men as well as a variety of women since she has been married, says she's "not really" worried about the prospect of disease.

Bubbles notes sternly in her ads that "condoms are required if fucking is desired," yet then goes on to note—in capital letters, lest anyone miss the point—that all men at her parties are expected to come in her mouth and on her face. A man who has hosted some of Bubbles's parties estimates that as many as 80 men show up to jack off on the stalwart load warrior's face every week. If true, that's more than 4,000 loads of cum a year.

"Well, I suppose I should be more worried than I have been about it," Bubbles sighs. "But I suppose I think I am safer, since all that cum is on my face and in my mouth rather than inside me."

* * *

What sort of man shows up to a bacchanalian fuck festival, ready to lend a helping gland? What kind of man wants to jack off while standing shoulder to shoulder with dozens of other strokers? The answer seems to be just about any kind of American male imaginable. The stiffs range from teenagers (all of the women

# Fucking Freaks

(continued from page 102)

interviewed state that participants in their sex acts are over the age of 18; Bubbles's minimum age requirement is 21) to senior citizens freshly sprung from the retirement home; from young street thugs who show up in gangsta attire to smartly dressed executives sporting Rolexes. Some of these men drive hundreds of miles for a frenzied, if brief, encounter.

"I believe you are looking at men who are likely to have latent homosexual tendencies," says therapist Gayle Muir. "The person may or may not actually act on the impulses. If these urges are acted upon, they often will be acted on in a very indirect or disguised way. With a strong denial-defense mechanism, the person himself is unlikely to ever see the connection."

Muir, a certified mental-health counselor who has a practice in Washington State, says that, while she wouldn't classify all of the men who line up to hose down Bubbles and Linda as closeted sword swallowers, she does believe it is likely that many of them are acting on unmanifested gay impulses.

"A man with latent homosexual tendencies may be turned on by thinking about or watching his wife have sex with another partner," Muir suggests, "but he would rigidly reject the idea of actually having intimate contact with another man, including something as innocent as a simple hug."

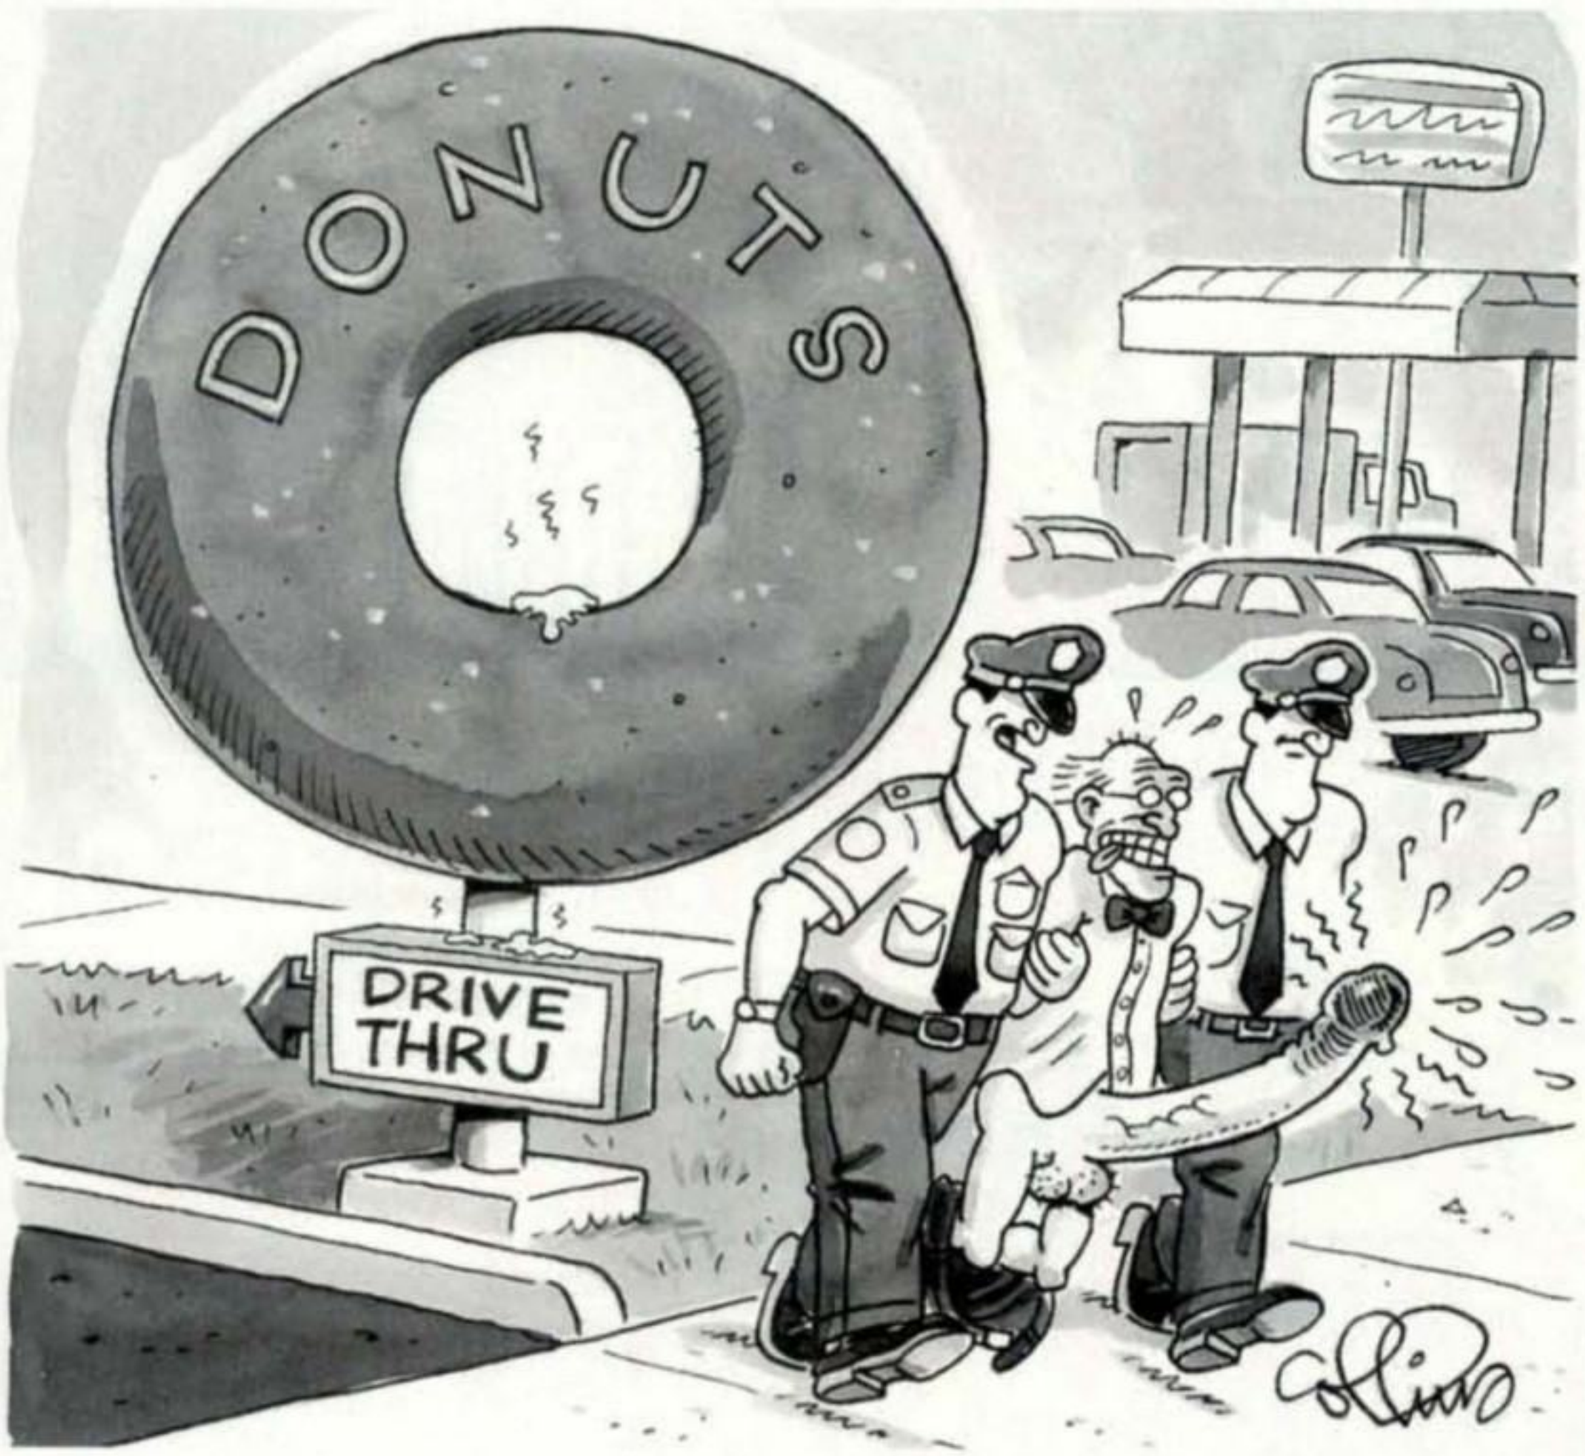
Dr. Susan Block, a Yale-educated and Los Angeles-based sex therapist, says the allure of extreme sexual acts stems in part from the fact that they are dangerous.

"I would not go so far as to say these particular people have a death wish," Block says, "but I think that they are enamored with the danger of this type of extreme sex. It's just like the thrill that comes with the danger of extreme sports."

Block notes that, at least subconsciously, women such as Kelly and Lynn Carroll, as well as their spouses, must understand the potential dangers they face when indulging in so many sexual partners. "When sex isn't flavored with danger, these people can get bored," Block says. "But, ultimately, I think they want to live and are hoping to do it again and again."

Block and Muir both agree that the carnal chaos being played out in hotels in Newport Beach, San Bernardino and elsewhere is nothing new, but is simply emerging from the shadows, courtesy of the Internet.

Thus, we head into the new century with ever-increasing numbers of sexual Evel Knievels pursuing ever-greater leaps across sanity and into hedonistic extremes. As the daredevils pick up speed and the mob roars for more, the age-old question is raised: Where will it stop?



*"I'm tellin' ya, this Viagra thing is just gettin' way out of control."*

# Porn 101

(continued from page 68)

disgusting nature of porn," Lehman says.

Last spring, the envelope was pushed too far at Connecticut's prestigious Wesleyan University when Associate Professor of Letters Hope Weissman instructed students to produce their own fuck flick as the final project of her course, Pornography: Writing of Prostitutes. A male student shot a video of the eyes of a masturbating man, and a provocatively dressed female student put on an in-class performance-art piece, during which she asked fellow students to whip her.

Weissman also arranged for a "lecture" by porn queen Annie Sprinkle, who pulled out her hefty breasts and juggled them to the tune of "Blue Danube Waltz."

The educational value of these projects is unclear; what is certain is that Weissman's course garnered national publicity and triggered a debate on academic freedom. Controversy over the class nabbed the attention of conservative radio talk-show blowhard Laura Schlessinger. A Methodist publication took pains to point out that the school, founded in 1831, dropped its affiliation with the church years ago.

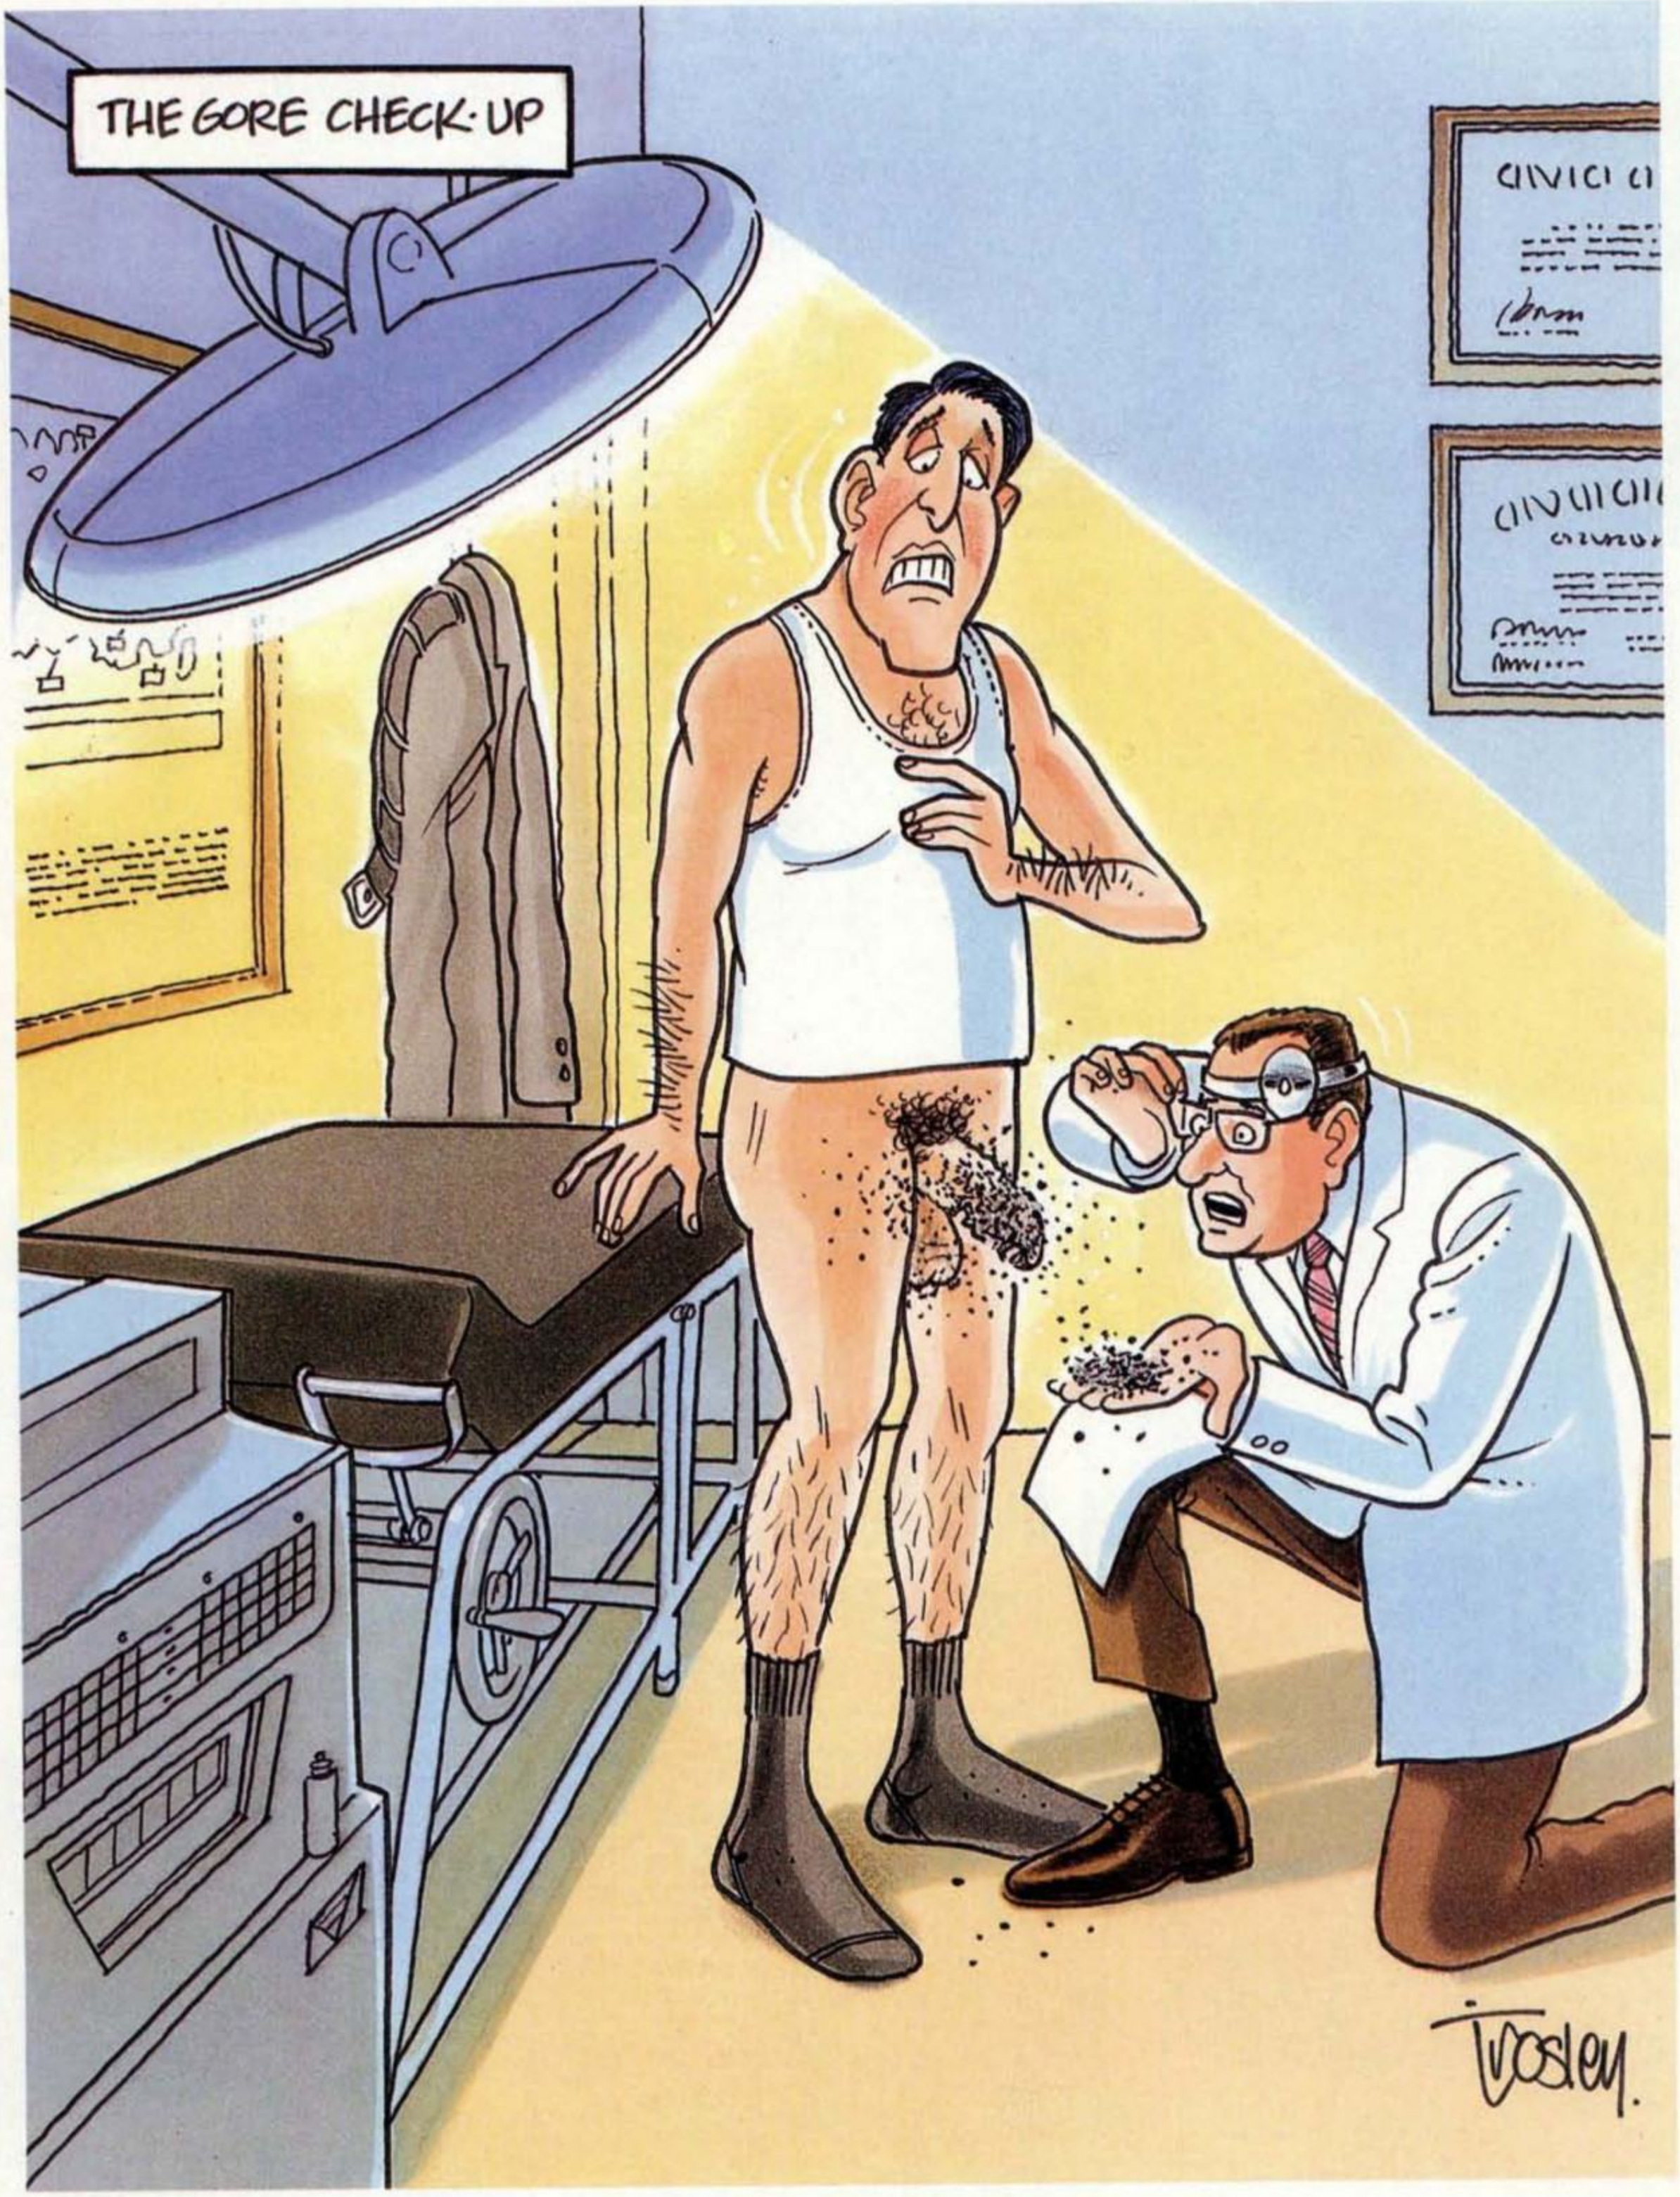
Hope Weissman's course is not being offered at Wesleyan this fall because she is on sabbatical. According to university President Douglas Bennet, if Pornography: Writing of Prostitutes is to be taught again, the course will have to undergo a thorough faculty review.

Although the class was approved when it was proposed two years ago, Bennet has since asked for faculty members to scrutinize potentially controversial courses more closely.

"Whatever the decision," Weissman says, "it's got to be based on the intellectual necessity of the subject and the pedagogical necessity of the teaching process, not on the basis of political pressure."

In the meantime, professors continue to write, and students continue to argue about the cultural and artistic significance of the money-shot.

That pornography is always sliding closer to the center of popular culture is something that virtually everyone agrees on. The very fact that students are sitting in university classrooms from California to New England watching dicks slide in and out of pussies, mouths and assholes is perhaps the best evidence that porn has become, if not acceptable, far less taboo than it once was. Whether smut is a worthwhile subject of academic study is perhaps a question for the future—say, when the student loans of the pupils of Penley et al. come due.



*"Yep, that's what they are...termites!"*

### DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

**Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.**

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

### HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

**Now look at the Dr. Bross Penis Cylinder.** The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

### INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

(continued from page 43)

**I rode the factory phallus; I sucked it ravenously like a plastic popsicle. I let it do me doggy-style. I threw my legs behind my ears and bounced as my buzz buddy ravaged my butthole.**

fell mournfully when she found the majority of my mask had melted away.

"Thank you for fucking me," she bleated, "but I'd best be going. You aren't so pretty now that your special effects are sloughing off."

Lucinda hurriedly dressed and bolted from my office. I relaxed awhile, giggling and scraping crust from my pants. I didn't manage to break out the faux doggy doo this April Fools' day, but I sure as hell busted a nut and a gut. —W. T.

## BUZZ BINGER

Something strange has happened to me. I've become completely dependent on a plastic penis. My girlfriend bought me a vibrator for my 20th birthday, and it was all downhill from there. The plug buzzes my cupcake like no man ever could. It's all I want anymore. Due to my splendid physique and lush, dark tresses, men hit on me constantly. But now, no matter how rich, handsome or witty the suitor is, his charms leave me utterly unmoved. I am hopelessly consumed with the urge to rush home to my plastic pal and let it drill me. This lonely fate alternately elates and crushes me. My store-bought love gun gives me pleasure I never imagined possible, but how will I ever find true fulfillment with a human male when I soar to unimaginable heights with my battery-operated friend? Let me tell you how this all happened. Maybe it will help you better understand my plight.

After a birthday celebration at a local fern bar, I returned home with my gifts and prepared for bed. At first I didn't seriously consider using the toy (at least not right away), but shortly after climbing into the sack, I found myself overwhelmingly horny. I wandered over to my stack of presents and fished the hum stick out. I rolled it around in my hands, observing its fleshy hue and firm yet pliant texture. It looked like fun. What I thought would be an entertaining and inconsequential romp would in fact be my initiation into the clutches of vibrator addiction.

I turned the dial; electricity quivered through my fingers. The prosthetic penis hummed soothingly. I leaned back and gently ran the vibe wand across my nipples. It buzzed its way down to my vulva and purred against my clit. I broke out in goose bumps and nudged the pliant tip against the opening of my hot pocket. The device seemed to take on a life of its own. Its prodding became increasingly aggressive; the low speed cranked higher. Before the battery-powered baton even entered my lush canal, my pelvis was already thrusting wildly, desperately. With an abrupt dive, the mini submarine thumped its nose against my cervix with great determination. Uneasiness balled up in the pit of my stomach. So mighty were the rubber fucker's undulations, it felt possessed. However, the darting jabs up and down my vaginal walls were far too pleasurable; so I chose to ignore my trepidation and give in completely to its powerful vibrations. I let that robot rod have its way with me.

What a wild night we had. I rode the factory phallus; I sucked it ravenously like a plastic popsicle. I stuck my ass in the air and let it do me doggy-style. I threw my legs behind my ears and bounced as my buzz buddy ravaged my butthole. After a good hour and a half of savage dildo fucking, I came so hard, I rendered my voice hoarse for two days from screaming.

The tantalizing memory of that evening so tortured me, I binged on the buzzer for two whole weeks. I called in sick to work five days in a row, and the days I did work, I brought my vibrator with me and made frequent trips to the ladies' room. My apartment was a mess, as I neglected housework to spend more time plugging my snatch with the dildo I had since named Billy. One night, while I allowed Billy to abuse my sore cooter for the eighth time that day, I burst into tears.

"I'm a slave," I sobbed, feeling at once furious and futilely unable to wrench the buzzing bastard from my hungry pie. "This can't go on. You're destroying me!"

I summoned up every ounce of strength left in my tattered body and yanked the electric prick out of me. I hurled the still-buzzing rod out the window. I heard a heavy thunk, then momentary silence. Minutes later, an angry hum drifted from the neighbor's lawn where Billy had landed. I pretended not to hear it and ran to the shower, where I cleansed myself of the compulsion I had developed for that plaything. My conviction was short-lived.

Not an hour had passed before I sprinted outside and retrieved Billy, clutching him to my breast and carrying him back inside where he belonged. The sex that night was very loving. You probably think I'm a real nutjob, but this is how things have to be. I'm much better than I was. I don't even take him to work anymore. I tried to end it, but, really, why should I? I've found the most fiercely loyal companion I've ever had. —S. P.

# LIZA

PHOTOGRAPHY BY J. B. DE BROCA

Liza's a fucking homebody. The leggy brunette rarely ventures from her bedroom, and her weekends always rock the house.

"So many horny studs and sluts visit my bedroom that I should install a revolving door," Liza laughs, massaging her eager quim. After exchanging fluids, Liza likes to mark the occasion.

"I grab whatever's handy and notch the headboard while the sheets are still warm.

"This one's fresh," the bedridden beauty says, pointing to a deep gouge in the wood. "I just finished sucking off the meter man. Call me weird, but I love being soaked in a stranger's jizz."

A sound from another room arouses Liza's interest. Her fingers slide deep into her cum-drenched snatch.

"Someone's out there," she whispers excitedly. "I wonder who's gonna fuck me next."

## next month in HUSTLER

### CHICAS DE MAYO

*¡Viva La Pussy!* Daughters of the porn revolution throw down their panties in the May 2000 HUSTLER. Three vixens open their quims in the backseat of a convertible. A 21st-century babe cuffs her boy toy to a high-tech torture device. A gorgeous brunette sets sail on a pleasure cruise sure to inspire tidal waves of ball batter. Wankers of the world, unite! The May 2000 HUSTLER is guaranteed to spur violent uprisings in pants everywhere.

### PAYING FOR SNATCH

Shopping for sex can be intimidating. Disease, arrest and death all loom over the prospective john. How does a fella with cash in hand get off without being ripped off or worse? Until *An Idiot's Guide to Hookers* hits your local bookstore, HUSTLER dishes the skinny in *By Hook or by Crook: The Tricks and Treats of Shopping for Skin*. William McWeary and G. Henry Biggs guide the novice whoremonger through the sordid process. From the massage parlor to the hotel bar, they share firsthand tips on spotting the prostitutes, negotiating a price and coming hassle-free. We'll provide you with valuable information regarding fees, etiquette and general safety issues, helping you to score the most bang for your buck.

### CRUSHING FOR KICKS

Ever fantasize about being squashed by a giant woman? Some fringe perverts cop vicarious thrills watching sadistic feet flatten small animals. Crickets, mice, guinea pigs, frogs and lizards have all succumbed to the creepy whims of crush-video producers. After being dragged kicking and screaming into the spotlight, crush enthusiasts now find themselves under the heavy foot of public criticism. Arrests, hearings and legislation all aim to curb the production of crush videos. While politicians and washed-up celebrities, such as Mickey Rooney, clamor to spit out soundbites, crush fetishists run for cover and questions surface. Who are these people? Don't rodents deserve protection under animal-rights laws? What's next? Roadkill fucking? Check out the carnage in May.

### PORN FOR THE PEOPLE

Struggling under the yoke of poontang oppression? Join the horndog resistance as HUSTLER liberates libidos with tons of bobbing jugs and dripping cooze. *Erotic Entertainment* empowers pricks, keeping video fans informed and engorged with a dozen ironfisted reviews. Superficial couples can buy supermodel ova for a superior spawn; find out what happens when porn stars hawk their second-rate eggs in *Bits & Pieces*. A grassroots snatch movement burgeons when local trim stands up to be stroked to in HUSTLER's *Beaver Hunt*. Raging boners spring eternal in the May 2000 HUSTLER.
